Correction

Please note: Due to an error in last year's Southern Forester, Texas A&M did not receive credit for winning the greased pole climb.

From the ASFC President . . .

Bob Mason, 1981 ASFC President

Dear ASFC Members:

Although Conclave '81 is only a memory now, it is a memory which will linger in our minds for a long time. Many a close friendship developed during the 3-day event, which can only be attributed to the cooperative and friendly attitude of everyone who attended. Overall, there was a relaxed and laid-back atmosphere at Conclave; everyone was determined to have a good time. The enthusiasm and sportsmanship of the various participants made the competition both exciting and meaningful. Also, the warm, dry weather enhanced the daily competition and provided for excellent late night partying.

While standing around a campfire and drinking a beer, foresters from around the South were able to share ideas and opinions concerning a variety of topics, the bulk of which no doubt centered around forestry. Being away from the hustle and bustle of academic life gave each of us a chance for self-evaluation and awareness. Thus, Conclave '81 proved to be more than just a place where southern forestry schools got together to compete for trophies. It served as a means of broadening our friendships and knowledge, which is the reason why Conclave '81 should be considered a success.

As a closing note, it seems important to mention that the park rangers were highly satisfied with the way that everyone showed consideration for the park facilities. One of the rangers confided in me that more impact has been done to the park by visiting local groups than was done by attending Conclave participants. Hearing statements like that only reinforced what I've thought all along: Southern foresters are the best!

Good luck to Oklahoma State next year!

President of Conclave '81
Robert T. Mason

University of Tennessee Forestry Club

From the UT Forestry Club . . .

Barb Crane, 1981 Forestry Club President

Yeah, UT Forestry from 16 Southeastern colleges fell in (in the woods) at Cedars Bar State Park in March 1981. Conclave was great!

Our glamorous and breathtaking group of 12 men, tested butts all year [illegible]. And when Conclave was upon us, it was a success and a heck of a lot of fun! Numerous hours of preparation and work went into it, but it was worth it for the good times had by all.

Actually, we thought the day would never come when the Conclave project was finished. Periodically, we'd manage to snatch a few moments and direct our interests to other activities. We engaged in outdoor recreational pursuits (hiking, caving, camping); squaredancing; the fall firewood sale; the winter Natural Resources Banquet; and the spring tree seedling sale. But the ever pervading Conclave preparations were still there. Even though times came and passed when the job felt overwhelming, a strong sense of responsibility and closeness kept the club together and working. Friendships were forged, and the camaraderie was strong. We learned to work together, and the experiences were invaluable. There were ups and downs, strain and pain, but much more the feelings of accomplishment, respect, and pride were felt.

I would like to express my deepest gratitude and affection to all our Tennessee people involved with the club and Conclave. Thanks so much for your support, dedication, and hard work!

To our two super advisors and friends--Bill Hammitt and Bob Little--we heartily thank you for your unending support and faith in us; it kept us going.

From all the Tennessee folks to ya'll: hope ya'll had a great time and thanks for coming. Your cheer and standing ovation for us at the Banquet were our greatest trophies received that weekend.

To the Aggies: congratulations on winning first place and the well-deserved Outstanding Sportsmanship Award.

And to Oklahoma: you can do it, so go for it! Count on us for help in any way. Good luck.

See ya'll next year!

Barb Crane, President
UT Forestry Club

From the Advisors . . .

Dr. Bill Hammitt and Dr. Bob Little, distinguished Club advisors

Dear Conclave '81 Participants:

Now that Conclave '81 is over, it is a time to reflect back upon the many individual and collective efforts that made it a success. As Forestry Club advisors, we have to first pay tribute to our own club members, who worked so diligently during the entire year for the big 3-day event. Club members were truly up to the challenge, making our role as advisors only that of an advisory capacity. We congratulate the Club on a job well-done.

Secondly, we would like to commend all the other Conclave teams and schools for their part in making Conclave '81 a success. The cooperation and respect shown by you for the University of Tennessee, and the Tennessee State Park and Tennessee Valley Authority facilities were tremendous. All southern forestry schools received a vote of confidence and respect from the public agencies involved. Your assistance was an important component of a successful Conclave, and we greatly appreciate your efforts.

Finally, we realized as we returned home on the bus from Conclave '80 last year that a tremendous cooperative effort from many individuals would be necessary to pull-off Conclave '81. We received that cooperation! We sincerely wish that Oklahoma State University receives as much help as we did. Let us know if we can assist in any way possible.

BUSINESS MEETINGS

MINUTES OF THE 24th ASFC BUSINESS MEETING
March 27th, 1981

The business meeting was called to order at 6:30 p.m. by ASFC President Bob Mason.

A motion was passed unanimously to wait until the Awards Banquet for the Technical Events results so that the overall winner would not be known until then.

A motion to change Conclave to the Fall was defeated. The vote to keep Conclave in the Spring was passed unanimously.

It was decided that all future rules lists should be dated to avoid discrepancies from year to year, due to outdated lists.

A motion was passed unanimously to update the Constitution at intervals of three years. Each member club would have one representative to vote on amendments.

A motion was brought forth to have Conclave rotated from East to West (Constitution Article V, Section A, Number 5) in order to avoid forcing some teams to travel a long distance several years in succession. If the rotation goes to a school that cannot host it, that school will drop to the end of the rotation, and the next school in the same E/W division shall then be the host. A school may not pass twice. Motion passed unanimously.

One suggestion was submitted for the East/West Division: (in no particular order):

East	West
Florida	Texas A & M
Georgia	Oklahoma
Clemson	Stephen F. Austin
Tennesaee	Auburn
N.C. State	Mississippi State
Kentucky	Arkansas
V.P.I.	Louisiana Tech
West Virginia	Louisiana State

The East/West division will be voted on in the future. Oklahoma is 1982 Conclave Host, and Florida was unanimously voted the 1983 Conclave Host.
