30th Annual Conclave

hosted by

The North Carolina State University Forestry Club

Ellerbe, North Carolina
April 2-5, 1987

We think we're special!

We make paper, pulp, building and speciality wood products. We develop land, build homes and offices, finance mortgages, transport goods and grow trees. We do a lot — but that's not why we're special.

Our products and services are varied but whatever we make or market, it's done with an attitude of excellence — a spirit of being the best we can be.

You can see that spirit on our production lines. You can see it in our offices. You can even see it on our lapels.

We worked hard to get it. We work hard to keep it. **That's** what makes us special.

NCSU Forestry Club

It has come time to put the 30th edition of Conclave in the history books. Reflecting back on Conclave I find it hard to describe. Most presidents before me have said it was a lot of work, but fun. I will agree with that. Conclave itself was somewhat a blurr of excitement to our Club because we were burned out before the events arrived. The ole Conclave spirit came along and carried us through.

The weather was cold, the wood soft and the competition tough. We scored a lot of points but it was not good enough to match SFA and Arkansas. Consistency lead the Arkies to one of the finest performances in our thirty year history. Congratualtions to all the winners and SFA for their Sportsmanship Award. Thanks to all that competed and attended this year's Conclave.

I hope everyone enjoyed their trip to the Old North State. I appreciate my fellow club members hanging together and keeping things rolling smoothly. It was a pleasure for us to work for such a good crowd of foresters.

Good luck to Auburn as they prepare for the 1988 version of Conclave. Auburn improved greatly this year and have the enthusiasm to do a great job. Encourage all your fellow foresters to attend.

Sincerely,

Tim McCracken

Tim McCracken
ASFC President

NCSU Forestry Club

May 25, 1987

Dear ASFC Members,

I would like to use this opportunity to thank all of the Forestry Clubs and their participants for attending the 1987 Conclave. Without the spirit exhibited by everyone our Conclave could not have been considered a success. I know all of the teams, and their members, experienced some great moments to savor and some agonizing times to forget. In the end, all of us were able to travel home, to different parts of the Southeast, with at least one memory that will have made the people involved richer at heart. Again, thanks to all. We'll see you at Auburn.

Have a Good One,

Tim Tabak
Forestry Club President

P.S. Good luck in all you do.

NCSU Forestry Club

Dear ASFC Members:

The 30th Anniversary ASFC conclave was special, in my view, because of that 30 year history. The ASFC has retained its viability in the face of declining Forestry enrollments because it serves some very useful purposes in the development of young foresters. Skills and experience in leadership, planning and organization, teamplay and simply getting along with others are just as important to career success as are knowledge and skills gained in the classroom. Traditions are also important to the structure of a profession and I urge you to keep alive the traditions of forestry as you strive to keep abreast of new technology.

My thanks to all who participated in the conclave, but especially to the faculty advisors. Your dedication to assisting your Forestry Club in its activities and training provides the strong base of initiative, expertise, and continuity that maintains the strength of the ASFC.

We at NCSU were happy to have you in North Carolina. Good luck to the seniors and we'll look forward to seeing everyone else at Conclave 31.

James D. Gregory

New Case 1845C skid steer for woods, yard or mill

The new 1845C skid steer joins the broad line of forestry equipment from Case—the quality leader for over two generations. The 51 net horsepower (38 kW) 1845C is a one-man crew that hauls short wood, loads, stacks, handles chips and finished lumber. Four-wheel traction masters mud and rough ground . . . low-effort hand controls and hydrostatic drive let you maneuver around trees or stumps or spot loads quickly. A unique 8-point monitoring system keeps tabs on critical machine functions. See us for purchase, lease or rental—plus reliable one-stop service that keeps you producing day after day.

Some of the best news in Dellie Norton's hands is the paper itself.

Underneath the banner headlines, graphic pictorials, and informative copy, there's a lot of good news to be found in today's newspapers and magazines.

You can find it in the paper itself.

Since 1952, Bowater has planted over 500 million seedlings throughout the South.

The result has been an increasingly superior supply of timber for high-quality newsprint and coated publication paper. All used to keep Dellie and you informed and entertained.

More importantly, this has also added to the environmental and recreational quality of our forestlands. More trees to purify air and water, supply homes for wildlife, and provide a host of recreational activities for lovers of the outdoors.

We're proud of the job we do. Proud of how we do it. And proud that Dellie Norton and you will enjoy many benefits from our work for a long, long time.

BOWATER

Planting for the Future

Thanks to the advanced research programs of Union Camp and other forest products companies, tree farming is now more efficient than ever. Genetically superior seedlings planted today can reach a height of 60 feet in 20 years.

As we harvest each crop of trees, we replace them threefold with genetically superior seedlings from our nurseries. These plantations, which provide twice the wood fiber as those from natural stands, along with our seed orchards and nurseries are the laboratories of tomorrow's forests.

Louisiana Tech	131.00
Tennessee	75.50

Arkansas

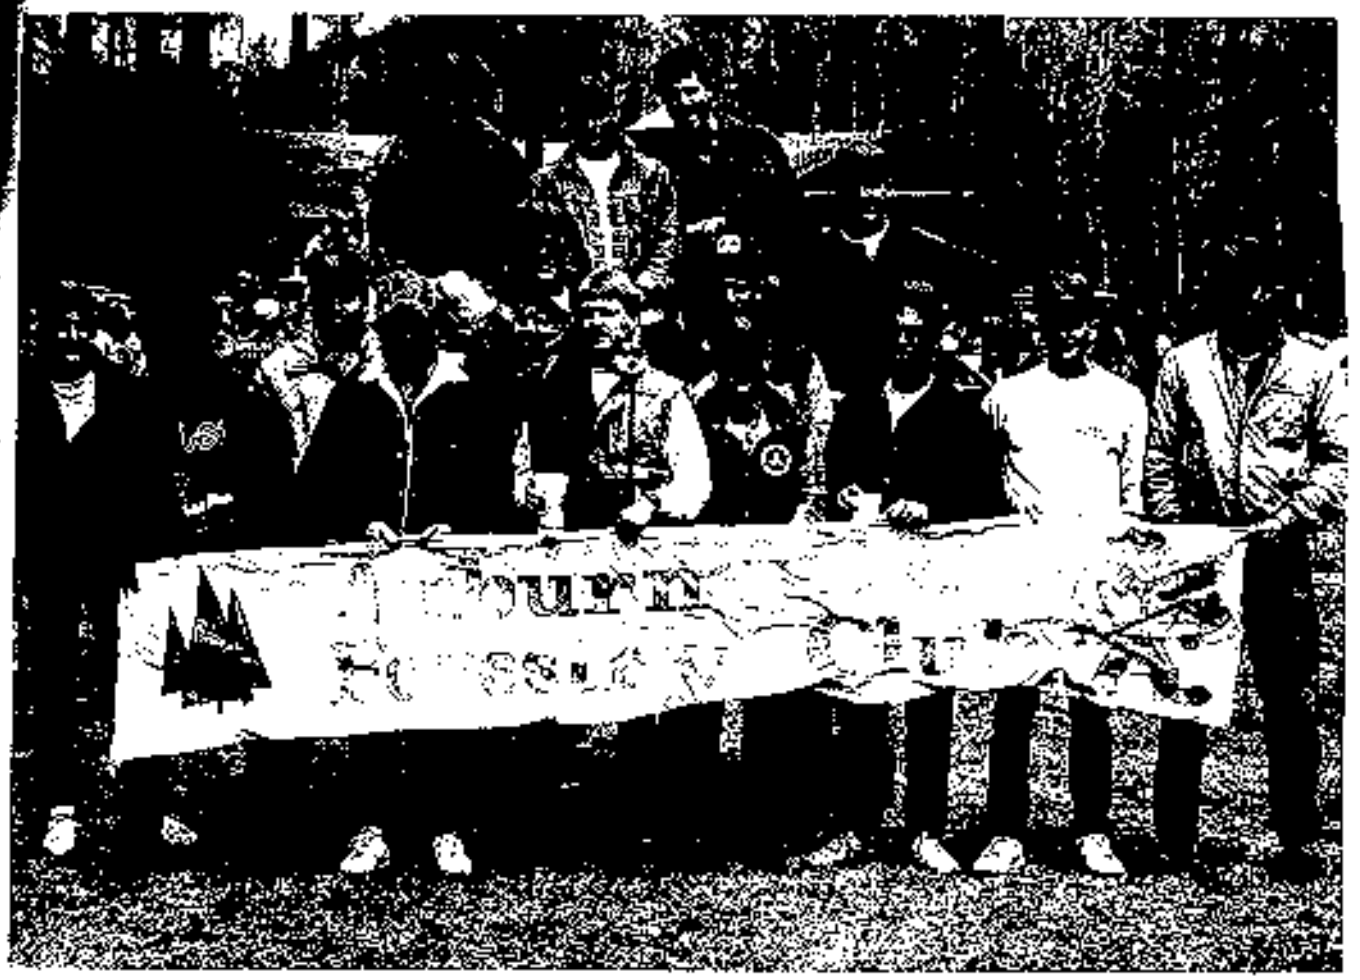

The University of Arkansas at Monticello Forestry Club would like to thank North Carolina State for an enjoyable and well organized 1987 Conclave.

Our main money making project was the Sixth Southeast Arkansas Biennial Forestry Equipment Show which was a big success.

March 14 we held our annual Field Day to see who would compete for us at Conclave. We are looking forward to seeing everyone at Auburn.

Auburn

Clemson

Florida

Georgia

The ASPC Conclave is the big event for our club each year. Other events put on by our club include the annual fall and winter field days and dance, club cookouts and a mini-Conclave competition with the Clemson gang. The club also competes in the intramural football and softball league at Georgia. Along with the dances, other fund raising events include tee shirt and hat sales and firewood sales.

We would like to extend a special thanks to our advisors, Dr. Dale Greene and Dr. Walter Cook, as well as to Dean Long Hargreaves and Mr. Sam Thacker for all of their help. We had a great time this year in North Carolina and look forward to seeing everyone at the 1988 Conclave hosted by Auburn.

Louisiana State

Since we last saw you, the "TIN MEN" have been on the move. We've been involved in all our traditional activities and have added a few new ones.

In September we started our membership drive with our annual Fall Smoker. We're proud to say that we're increasing our membership every semester. We participated in the homecoming activities during the football season, and welcomed our alumni to a great new building. We rounded out the fall by holding our annual Christmas tree sale, which was a big success.

In the spring we've been active with the Agricultural Student Association and earned some Conclave money by working during a professional rodeo. We began our preparation for Conclave and held our annual Mini-Conclave to determine our competitors. We plan on rounding out the year with a huge barbeque and party.

We'll be looking forward to seeing you at the 1988 Conclave—in the warm south!

Louisiana Tech

The Louisiana Tech Forestry Club worked hard selling gun raffle tickets and Christmas trees to get to this year's conclave.

We had several tailgate parties at the football games to welcome in the new members. In December, we had a Christmas Banquet with all the trimmings. Next on the list is the FUN Forestry Club Crawfish Boil. How 'bout them Dawgs!

We had a great (but cold) time in North Carolina, and we are looking forward to seeing all y'all next year at Auburn!

Mississippi State

The MSU Forestry Club opened a very active school year with the Annual Fall Smoker accompanying the School of Forest Resources Fall Convocation and Pig Roast — this was the most delicious pig yet! Later, the club organized a concession for the Mid-South Equipment Show at the John Starr Memorial Forest, and made over $700 net profit. Annual firewood sales and a tree planting contract brought in additional money needed for the various parties and social events sponsored by the Lawg Dawgs.

The Dawgs had a throw down at the 1987 Conclave and delivered a rowdy 31-member crew of woods chicks and woods dudes to North Carolina. The 14 hour ride was well worth it!

North Carolina State

The North Carolina State Forestry Club would like to thank all the clubs for participating in the 30th Annual Conclave. We hope you all had as good a time as we did. We would also like to thank all the faculty, students, sponsors, and everyone who helped make this a successful Conclave.

To help prepare for competition the Wolfpack Forestry Club competed in the Crabfest events in Virginia and in our own 50th Annual Rolleo. We will also be attending the Prince George Festival. As a community service, club members participated in "Wood for Warmth" to provide firewood for needy families. Members also helped man the School of Forest Resources' booth at the State Fair in honor of N.C. State's 100th birthday. In order to fund the club's trips, parties, and events, members had two successful semesters of doing tree work in the community.

We would like to wish every club a successful coming year, and we look forward to seeing ya'll in Auburn next year.

Oklahama State

Tennessee

Texas A&M

Texas A&M was proud to be part of the 30th Conclave at North Carolina. We funded this trip through selling Christmas trees and doing tree jobs around town.

In the fall semester we started by having the Annual Smoker to acquaint the faculty and staff to the students. We had the semesterly "Undergrad-vs-Grad Faculty softball game" in which the undergrads dominated the field once again.

In the spring we had our Skidadoo competition to see who would do each event at Conclave. With renewed support the Grad-Faculty team again tried to defeat the undergrads and failed for the 3rd year in a row. We held our annual awards banquet and announced the officers for the 1987-1988 year.

We are looking forward to a great Conclave at Auburn next year. Gig'em Ags

Virginia Tech

The VPI Club has spent the year not only working to get to Conclave but also saving money for the 1991 Conclave. It will not snow in Virginia in 1991! We sold Christmas trees, cut firewood, and applied herbicide until we couldn't stand it anymore. We'd like to thank N. C. State for a great Conclave and wish Auburn the best of luck in the coming year.

HOST SCHEDULE

	WEST	EAST
1988	Auburn	
1989		Clemson
1990	Mississippi State	
1991		Virginia Tech
1992	LSU/LA Tech	
1993		Tennessee
1994	S.F. Austin	
1995		Florida
1996	Arkansas	
1997		Georgia
1998	Oklahoma State	
1999		N.C. State
2000	LSU/LA Tech	
2001		Auburn*
2002	Texas A&M	

*Auburn moves to eastern region as a result of Kentucky dropping out

EXPLANATORY NOTES:

1. The fifteen member school of the ASFC were divided into east and west regions. The east contains seven schools, the west eight.

2. Past hosting of Conclave was considered in placing all member schools on the proposed rotation. Schools that hosted Conclave within the past few years were placed further down the list. An attempt was made to include new members or schools that have never hosted Conclave as near as possible to the top of the list and yet maintain an east-west conformity.

3. Since Louisiana State and Louisiana Tech expressed interest in hosting a joint Conclave, they were spaced to maintain a 8-year frequency for Louisiana. At the 1981 Business Meeting, it was decided that Louisiana State and Louisiana Tech would host Conclave at roughly twice the normal frequency (every 8 years instead of every 15 years) if in fact they did conduct a joint-hosted Conclave. If they did not host Conclave jointly, their individual positions would stand as presented in the prior proposed rotation: Louisiana Tech in 1984 and Louisiana State in 1992. The two Texas schools, Stephen F. Austin and Texas A&M, maintain a frequency of 8 years for their state also.

4. In the event a scheduled host school cannot function as host in their year, they will be dropped to the bottom of their region's list, and all following schools will advance up one position.

MINUTES OF THE AFSC MEETING OF APRIL 2-3, 1987

4/2/87

The meeting started at 6:45 p.m.

Roll call was taken and Tennessee was the only school absent.

The officers of the 1987 ASFC Conclave were then introduced: President, Tim McCracken; Treasurer, Shelley Peterson; and Secretary, Paul Eriksson.

Tim McCracken mentioned that the records in the physical and technical events should be corrected so that they are made up to date. He also mentioned that it should be decided whether or not to keep records for events that are no longer done, such as one-man chain throw. LSU mentioned that records in one-man, as well as two man, chain throw be kept. Clemson seconded. Motion passed with a unanimous vote.

Tim stated that scheduling conflicts should be given to Paul by the end of the meeting and that the resolutions to the conflicts would be posted by the morning of the 3rd.

Questions about the competition areas and some of the events were answered at this time.

Arkansas motioned to have only the scientific name for mammals required for wildlife. LSU seconded. Clemson moved to table the motion until the 3rd.

The meeting was recessed at 8:30 p.m.

4/3/87

The meeting convened at 7:00 p.m.

The first item that was brought up was the motion that was tabled. It was discussed and voted upon. The motioned failed with a 4 to 6 vote, with 3 schools abstaining.

Clemson stated that in pole felling, the person who fells the pole 90 degrees should not be penalized as much as the person who fells the pole 180 degrees. VPI motioned that any pole felled beyond 90 degrees of the stake be measured the distance of the string back up the pole to the stake. Stephen F. Austin seconded. The motion passed unanimously.

SFA motioned to have a maximum diameter of 9 inches for the pole in pole felling. Texas A&M seconded. The motion passed with a 9 to 1 margin and 3 abstentions.

Georgia motioned to have an expert in the field of the event as a judge and to allow the student to be present at the protest meeting. It was suggested that the motion be broken down into two parts. The first part then became one motion and the latter half another. The first motion received no second. The second motion was seconded by Arkansas, and passed unanimously (Amended Rule 3 in the Rules Section).

Arkansas moved that Rule 3 be amended to read, "protest may be filed after the event according to Article VIII, Section K of the ASFC Constitution". LSU seconded. The motion passed with an 11 - 0 - 2 vote.

Mississippi State motioned to change the words of Rule 2 of DBH estimation from, "should be tagged" to "should be flagged". LSU seconded. Motion passed unanimously.

Arkansas motioned to move technical events to a certain distance from where Conclave was being held. There was no second.

LSU moved that Rule 2 of DBH estimation read: "flagged as contest is being given". Texas A&M seconded. Motion passed unanimously.

Arkansas moved that chain throwing return back to 2 throws per team. Florida seconded. The motion failed with a 2 - 9 - 2 vote.

VPI moved to amend the compass and pacing Rule 3 to read: "declination be set at zero and a true North calibration point be provided". The motion was seconded by Texas A & M and passed with a 10 - 1 - 2 vote.

VPI moved that the climbing pole no longer be of pine. Species suggested to use for the pole instead of pine are Yellow Poplar (Liriodendron tulipifera) and Sweetgum (Liquidambar styraciflua). Arkansas seconded the motion and it was passed unanimously.

Conclave will be at Auburn next year.

Meeting adjourned at 8:45 p.m.

Respectfully submitted,

Paul T. Eriksson, ASFC Secretary.

RULE CHANGES

POLE FELLING

Rule 2 "at least 6 inches in diameter" was changed to 6 to 9 inches in diameter

Rule 4 add

Pole felled more than ninety (90) degrees from the stake will be measured from the point on the pole which is string distance from the pole stump.

DBH ESTIMATION

Rule 1 "tagged at DBH" changed to "flagged as the contest is being given"

COMPASS AND PACING

Rule 3 add

Declination will be set at zero degrees and a true north calibration point must be provided.

POLE CLIMBING

The "pole will be of any species" changed to "The pole will be of a species other than pine (preferably sweetgum or poplar)"

GENERAL STATEMENT OF RULES

Section E Rule 3 Add

Protests may be filed after the event according to Article VIII Section K of the Constitution. The protestant is allowed to attend the protest meeting.

CONSTITUTION
ASSOCIATION OF SOUTHERN FORESTRY CLUBS

ARTICLE I. NAME

The name of the organization shall be the Association of Southern Forestry Clubs.

ARTICLE II. OBJECTIVES

A. To benefit the forestry clubs of the various southern schools by an interchange of ideas and stimulation of good fellowship among the club members.

B. To establish and maintain:
   1. Unity of purpose and action within and among the southern forestry clubs.
   2. A high standard of professional ethics.
   3. Closer cooperation and relationship between students and professional foresters.

C. To hold an annual conclave.

ARTICLE III. MEMBERSHIP

A. Qualifications
   1. Any forestry club of a university or college of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, or West Virginia granting a baccalaureate degree in forestry, or equivalent, with a major of forestry, shall be eligible for voting membership in this association upon a majority approval of a petition submitted to the voting member clubs; or by application by representation at the Annual Conclave.
   2. Charter Members: Louisiana State University, University of Florida, Stephen F. Austin College, Mississippi State University, Oklahoma State University, University of the South, University of Arkansas at Monticello, Auburn University, University of Georgia, North Carolina State College, and Clemson Agricultural College.
   3. Any forestry club of a senior university or college within the states listed in Part I of this section not granting a baccalaureate degree in forestry shall be eligible for associate membership upon a majority approval of a petition submitted to the voting member clubs.

B. Privileges
   Members (each club) are entitled to one vote and full participation in all conclave activities.

C. Dues
   1. The annual dues shall be two hundred dollars ($200) for each member club. Entering clubs shall pay a reduced rate to be set by the Association.
   2. The dues shall be used to pay for correspondence, publications, and other association expenses of the host club, and any excess funds shall be divided between the member clubs equally.
   3. The dues for the year will be paid to the host school by January 1, preceding the Conclave.

ARTICLE IV. OFFICERS

A. The officers of the association shall be:
   1. President — elected from and by the host club.
   2. Vice-President — one elected from and by each member club.
   3. Secretary — elected from and by the host club.
   4. Treasurer — elected from and by the host club.
   5. Editor — elected from and by the host club.

B. The duties of the officers:
   1. The duties of the President shall be:
      a. To preside at all meetings of the association.
      b. To appoint committees.
      c. To be responsible for submitting an officer's report to the accumulative files upon the completion of ASFC Conclave.
      d. To be responsible for obtaining reports from each of his committees and officer heads of the host club.
      e. To perform all other duties necessary.
   2. The duties of the Vice-President shall be:
      a. To act as a representative of his club.
      b. To notify the President of his election.
      c. To complete a report of the activities of the association, and be responsible for submitting materials to the host club for annual publication.
      d. To be responsible for submitting

member club publications within his club and maintaining an accumulative file of ASFC correspondence.

3. The duties of the Secretary shall be:
   a. To keep the minutes of all meetings of the association and to conduct all correspondence relative to the business of the association.
   b. To submit an officer's report for the accumulative files upon the completion of the ASFC Conclave.
4. The duties of the Treasurer shall be:
   a. To receive and have custody of all monies paid to the association.
   b. To keep a careful record of all receipts and expenditures.
   c. To prepare a financial report for publication in the annual issue of THE SOUTHERN FORESTER.
   d. To be responsible for the collection of the dues.
5. The duties of the Editor shall be:
   a. To gather and edit all material for the annual publication, THE SOUTHERN FORESTER.
   b. To see that the provisions of Article VII are carried out.

C. Tenure of Office.
Officers are to hold office until the next Annual Conclave with the exception of the editor, who will serve until the publication is distributed.

D. Election of Officers.
1. The President, Secretary, Treasurer, and Editor of the Association shall be elected by the host club at their first club meeting following the Conclave.
2. Vice-President of the Association shall be elected by their respective clubs at their first meeting following the Conclave.

ARTICLE V. MEETINGS.

A. Time of meetings.
1. The business meeting will be held on the Friday preceeding the ASFC field day.
2. In case of the tie, the President shall cast the deciding vote.
3. No club shall be the host more than once in three years.
4. If a previously elected host notified the members of the ASFC, by October 1 of the year before it is to hold the Conclave, that it cannot hold the Conclave, the President shall solicit bids from the members and then send a ballot to each member club to be voted on in writing.
5. The host club shall be alternated from east to west whenever possible.

C. Files.
1. Accumulative files shall be maintained by the host club and shall include all members' reports and correspondence.

ARTICLE VI. AMENDMENTS

The Constitution may be amended or revised by a two-thirds vote of the voting member clubs.

ARTICLE VII. PUBLICATIONS

A. Title.
The title of the publication shall be THE SOUTHERN FORESTER.

B. The constitution shall be published annually in the publication of THE SOUTHERN FORESTER.

C. The past host club shall publish the ASFC periodical within one month after the Annual Conclave.

D. Securing items for publication.
1. The articles shall be edited by the member club and submitted to the host club.
2. Articles to be printed in the current issue must be in the hands of the publishing editor not later than the time of the Annual Conclave.

E. Distribution.
Each Conclave contestant will receive one (1) copy of THE SOUTHERN FORESTER. A minimum of twenty (20) copies will be sent to participating member clubs.

F. Proceedings of the Conclave.
Proceedings of each Annual Conclave, including minutes of the business meeting, will be published by the host club in the annual publication.

ARTICLE VIII. CONTESTS

A. Competitive events will be held at each Annual Conclave.

B. There will be 20 standard competitive contests at each Annual Conclave.
1. Standard events:
   a. Dendrology
   b. Compass and pacing
   c. Timber estimation
   d. D.B.H. estimation
   e. Pole classification
   f. Wood technology
   g. Chain throwing
   h. Axe throwing

set of rules will be made and he voting members of the ASFC. dges of all contests will be left to of the host club except in the t club participates; then judging ne by members of the host club. s presently enrolled in school or f forestry will be eligible to enter . In the case of the University of he University of Georgia, fresh- phomore students presently who have declared an intention of e forestry department or school ng of their junior year will also be participation. Schools without their forestry departments will be se wildlife majors who are e Forestry Club.

G. The contestant must meet the same requirements as are specified for individual participation in school athletics. The contestant must be an undergraduate and in credit for athletic participation.
H. In the event that the Conclave delegation or spectators from any member school intentionally or otherwise interfere with progress of any event in the Conclave, that delegation shall forfeit the right to score any points in that event.
I. V.P.I. is hereby considered a member of the ASFC by vote taken on May 4, 1963.
J. A table of random members will be used to choose order of teams participating in each event. This order will be sent to each participating school before the Conclave.
K. Contest protests must be filed with a committee of staff members within 15 minutes of the individual infraction. From an alphabetical list, those schools in odd-numbered positions (1, 3, 5, 7, 9, 11, 13) shall provide one staff member for the protest committee for the 1979 Conclave. Those schools in even-numbered positions (2, 4, 6, 8, 10, 12) shall provide one staff member for the 1980 Conclave. This alternate year rotation system shall be continuous.
L. Contestants in the log chopping event must wear hard-toes footwear. The use of shin guards is left to the individual's discretion.
M. Tennessee is hereby considered a member of the ASFC by unanimous vote taken on April 9, 1967.
N. The University of the South is hereby no longer considered a member of the ASFC after submission of a letter of resignation on April 12, 1969.
O. The University of Kentucky is hereby considered a member of the ASFC by a vote taken on March 29, 1974.
P. Texas A&M University is hereby considered a member of the ASFC by a vote taken on April 12, 1975.
Q. The host club must supply tentative lists for contest involving lists to member schools by November 1. Complaints or suggestions for revision must be mailed back to the host club by December 1. Final lists must be sent to all clubs by February 1, with no changes being made after this date.
R. Louisiana Tech is hereby considered a member of the ASFC by a vote taken on April 6, 1979.
S. West Virginia University is hereby considered a member of the ASFC by a vote taken on March 27, 1981.

. West Virginia University is no longer considered a member of the ASFC after the submission of a letter of resignation on December 5, 1981.

. "The Sportsmanship Award" will be voted on by the Conclave Vice-Presidents. A confidential ballot will be submitted within one hour after the last event to the host club. In case of a tie, the host club will place the deciding vote, otherwise the host club will not vote. Clubs may not vote for themselves.

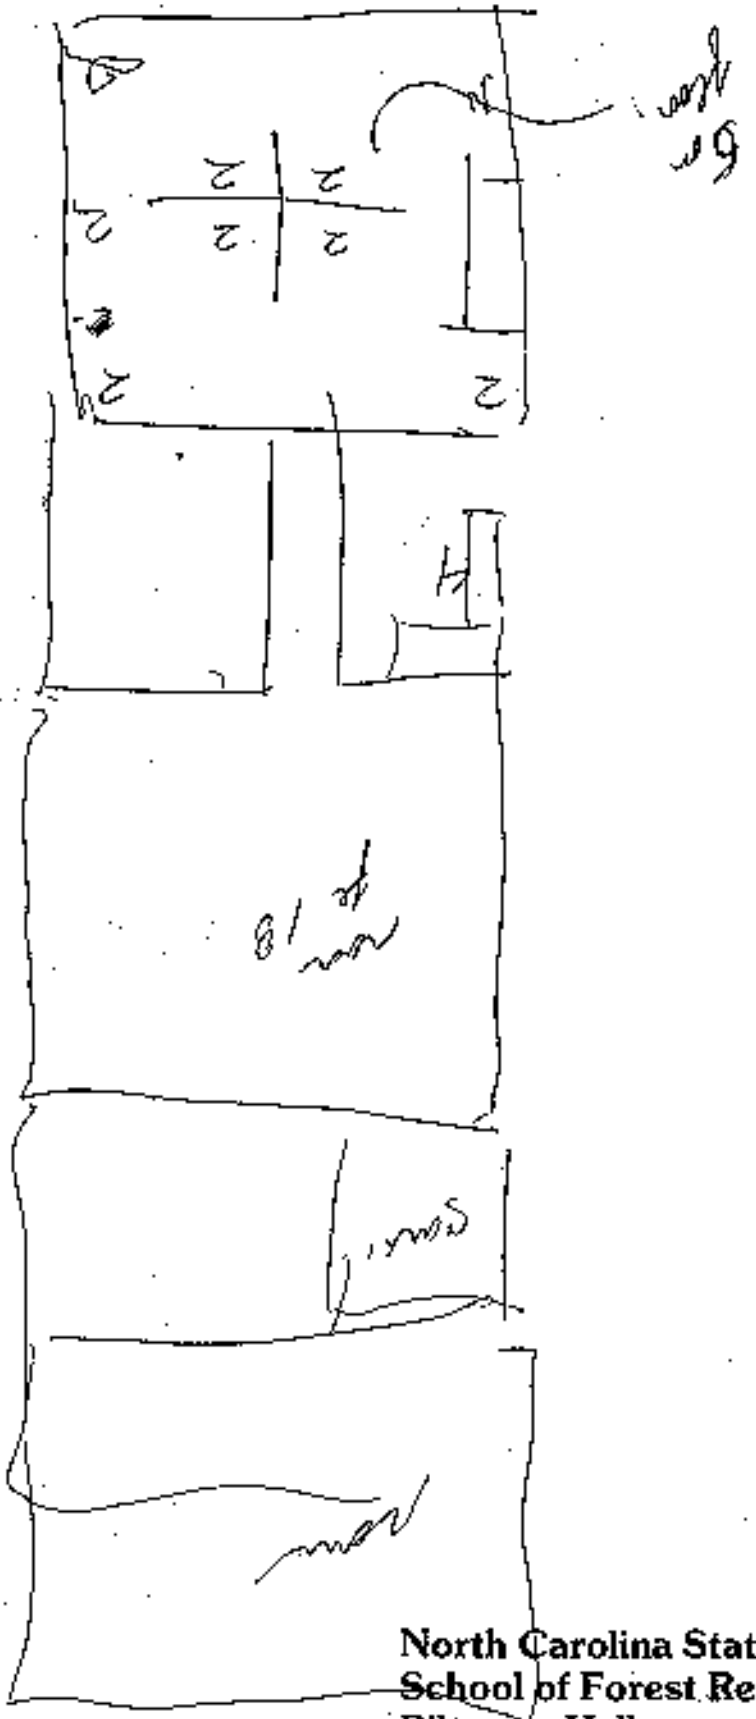

We treat our Mother with respect. As a company that makes its business from Mother Nature's abundance, it makes good sense to take good care of her resources. That's why we are devoted to the practice of silviculture and the wise forest management that goes with it. When you think about it, the soil is really our factory, so it's to our best interest—and the forest's also—to prevent the land from eroding and to keep the air and water clean. As good stewards of the land, we take care of Mother Nature. And Mother Nature takes care of us.

Chesapeake
