AUBURN FORESTERS
"Best in the Woods"

31st ANNUAL CONCLAVE hosted by Auburn University Forestry Club

Jackson Gap, Alabama
March 25 & 26

A Note from the President

The 31st ASFC Conclave is over, but we hope the memory of it will remain throughout your lives. The competition and sportmanship that were displayed at Conclave this year were very admirable. As host school, Auburn worked very hard and was dedicated to making this Conclave a success, in spite of the time schedule.

Auburn University's Forestry Club is indebted to many people and organizations who donated their time and money to help us host Conclave. Special thanks are extended to the faculty of Auburn University's School of Forestry and to the staff of Camp ASCA. I would also like to thank each school for the cooperation and support they gave us to help Conclave run smoothly.

Congratulations are extended to Arkansas for the tremendous effort they put forth to go home winners. Auburn was proud to serve as the host for the 31st ASFC Conclave and we hope you enjoyed your trip to Camp ASCCA.

I would like to wish Clemson good luck as they prepare for the 32nd ASFC Conclave. Hosting Conclave requires a great deal of work, but it can also be alot of fun if everyone works together. Best of luck to all the ASFC schools in your activities throughout the year and at Clemson next year.

Darren Kirkham
ASFC President ,1988

A Letter from the Editor

I would like to begin by extending my deepest appreciation to everyone who helped to make Conclave and the Southern Forester a success. Special thanks goes to our loyal advertisers for their support; Wanda Libby for helping me stay organized; Tom Holloway for some very awesome photos; Dick Martin for answering all my questions; to all the photographers at Conclave; and to all of the clubs for their cooperation. Your support has made publishing the Southern Forester a pleasure.

A picture is worth a 1000 words, and you'll find lots of pictures in this yearbook. However, there are some memories that cannot be captured on film. A few of these memories are noted below:

- the quick service and awsome food provided by camp ASCCA.
- the first Conclave without tents
- Friday's typhoon and the hot Saturday afternoon
- steaks at the banquet
- OSU receiving the toilet paper
- the one-man conclave team from Arkansas (easily picked out of the crowd by his yellow ski hat)
- VPI - the only school to miss the turn in Jackson Gap
- trips to local convenience stores
- the Miss. State log birler who took first place in the wet jeans contest

The most important memory from Conclave was the friendly competition that took place, and the outstanding sportmanship that was displayed by every school. Our desire to compete and interact will guarantee the longevity of Conclave.

As you begin to look through the Southern Forester it is my wish that you will remember Conclave in Alabama as the best two days of 1988. Good luck to all of ASFC Schools during next year's activities and I hope to see you at Conclave in Clemson.

COMMENTS FROM THE DEAN

I would like to take this opportunity to thank everyone who attended the 31st annual conclave of the Association of Southern Forestry Clubs. We were extremely pleased with the fine turnout. the large attendance made things crowded, but also contributed to a successful conclave. Hosting conclave has certainly been an adventure for our students and faculty.

We have always been supportive of Conclave and its value as a component of forestry education. Conclave, and similar accomplishment and pride in being a member of the forestry profession. In addition, it begins the process of developing social contacts within the profession. While Conclave is a generally positive experience, it is important that ASFC recognize the growing burden hosting Conclave has become both in terms of physical effort and in terms of liability assumed by the host school and faculty.

We were all aware that some students might be disappointed by any modification in the Conclave format. Our decision to reduce the time commitment required by Conclave has been reinforced by the mature response of the majority of ASFC members. Your willingness to attend Conclave and enter into it with a spirit of comradary and good sportsmanship is proof positive. In fact, a number of attendees indicated they could not have attended had there been a longer time requirement. The forestry school leaders (students, faculty and administration) need to continue to work together to preserve what is best in Conclave as well as reduce the burden on the host school.

Again, thank you for attending and congratualations to Arkansas.

Emmett F. Thompson, Dean
School of Forestry
Auburn University

A great many people helped host the 31st Annual ASFC Conclave. We gratefully acknowledge:

The Auburn Faculty and Staff
Harold Beals

Special thanks to the entire staff of Camp ASCCA.

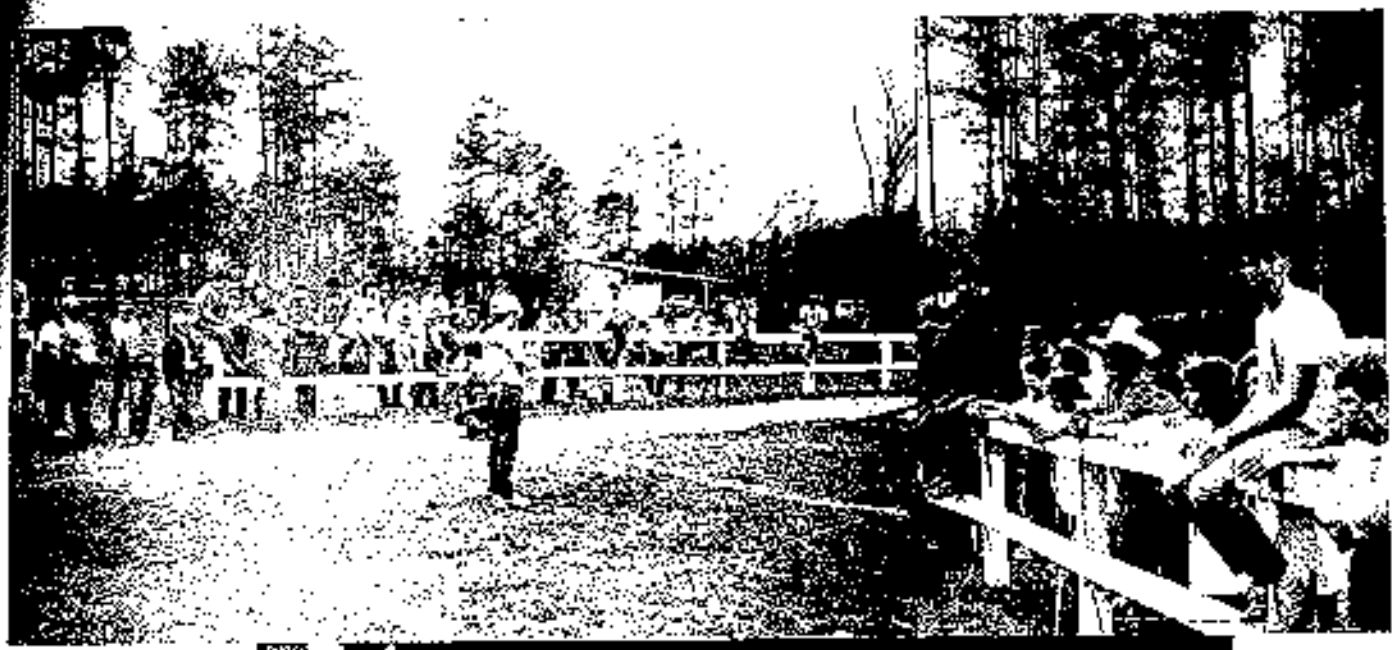

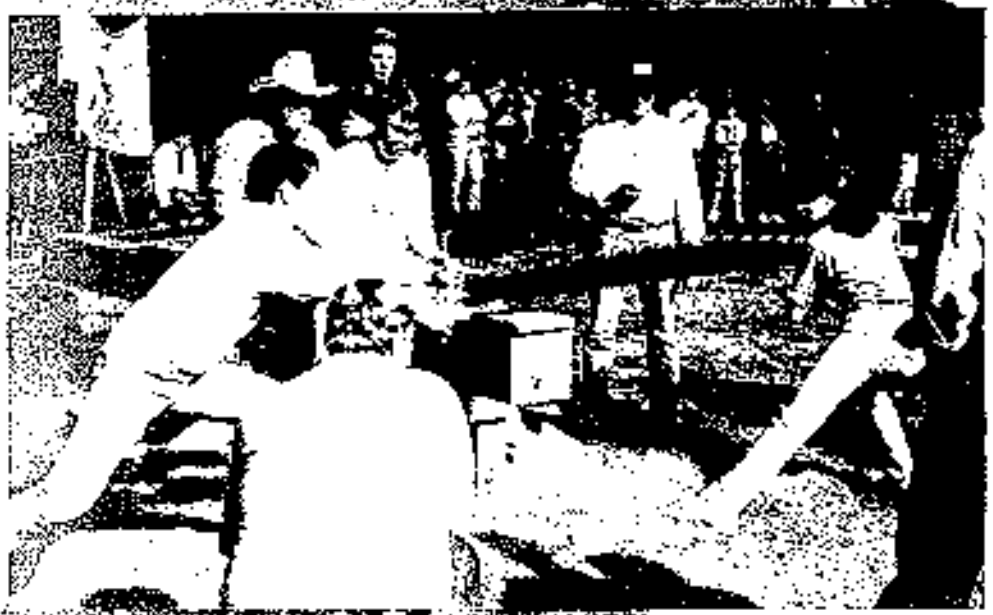

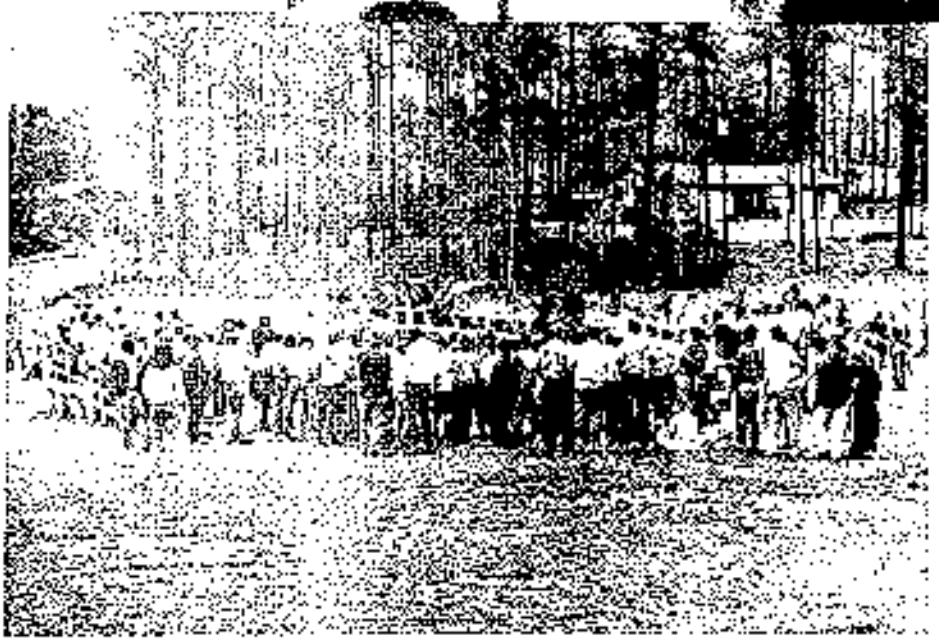

LSU

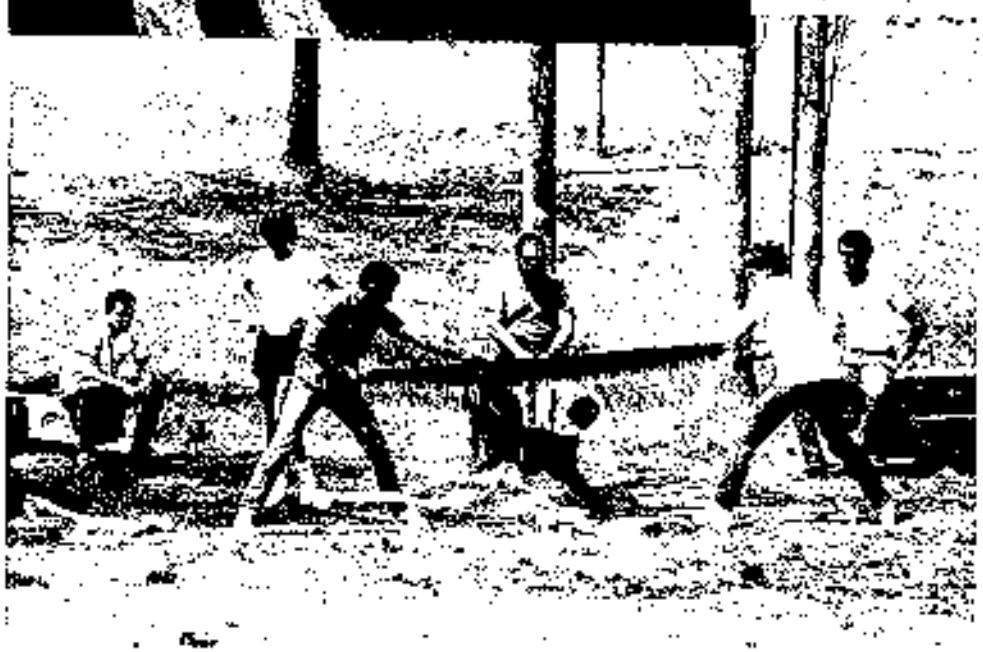

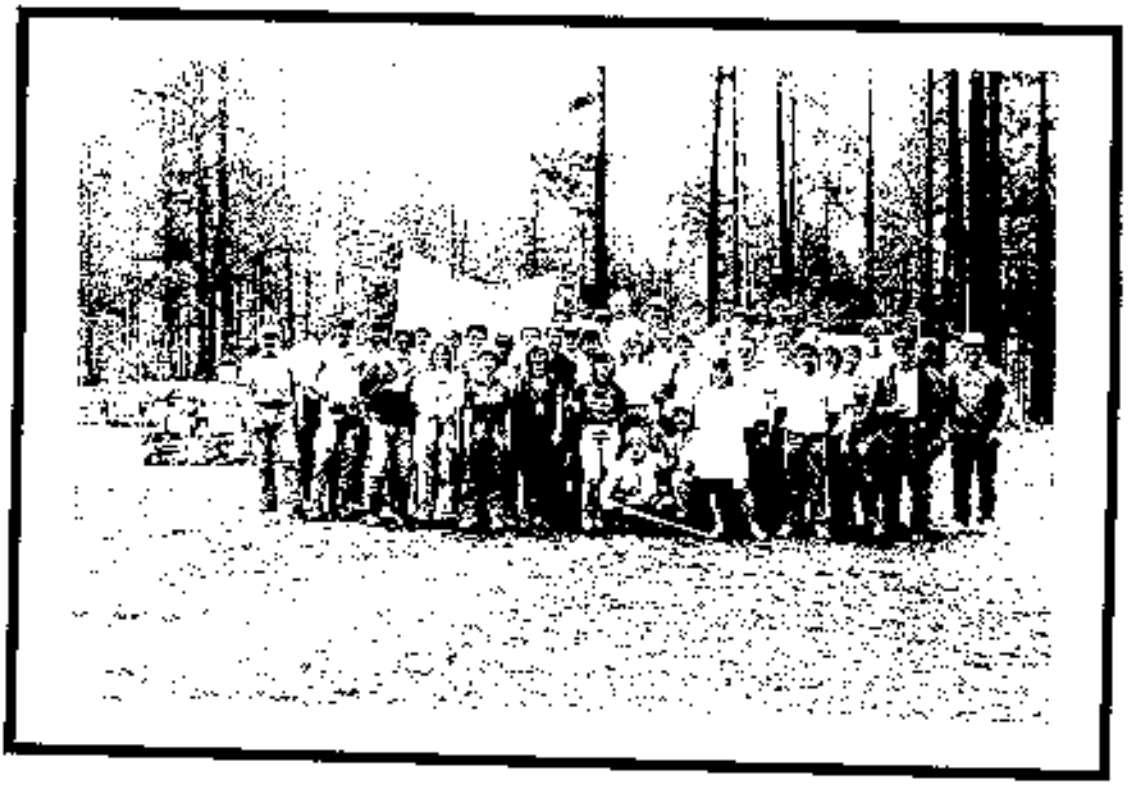

First Place Winner

The University of Arkansas at Monticello Forestry Club began the 1987 Fall semester with attention focused on the upcoming 31st annual conclave at Auburn. We were joined by sixteen new members who were anxious to achieve in their beginning semesters at UAM. With this new inspiration added to the already prevailing spirit of the club, we were readily able to raise enough funds for conclave. Our primary work projects are tree seedling planting along with some services to the University.

We began the 1988 spring semester by practicing conclave competition events and preparations for our annual Field Day Competition/Banquet which determines who will compete at Auburn. We'd like to close out this year's Southern Forester edition by thanking Auburn and all those who made the 1988 conclave a success and wishing each school luck for next year's conclave at Clemson.

--Arkansas

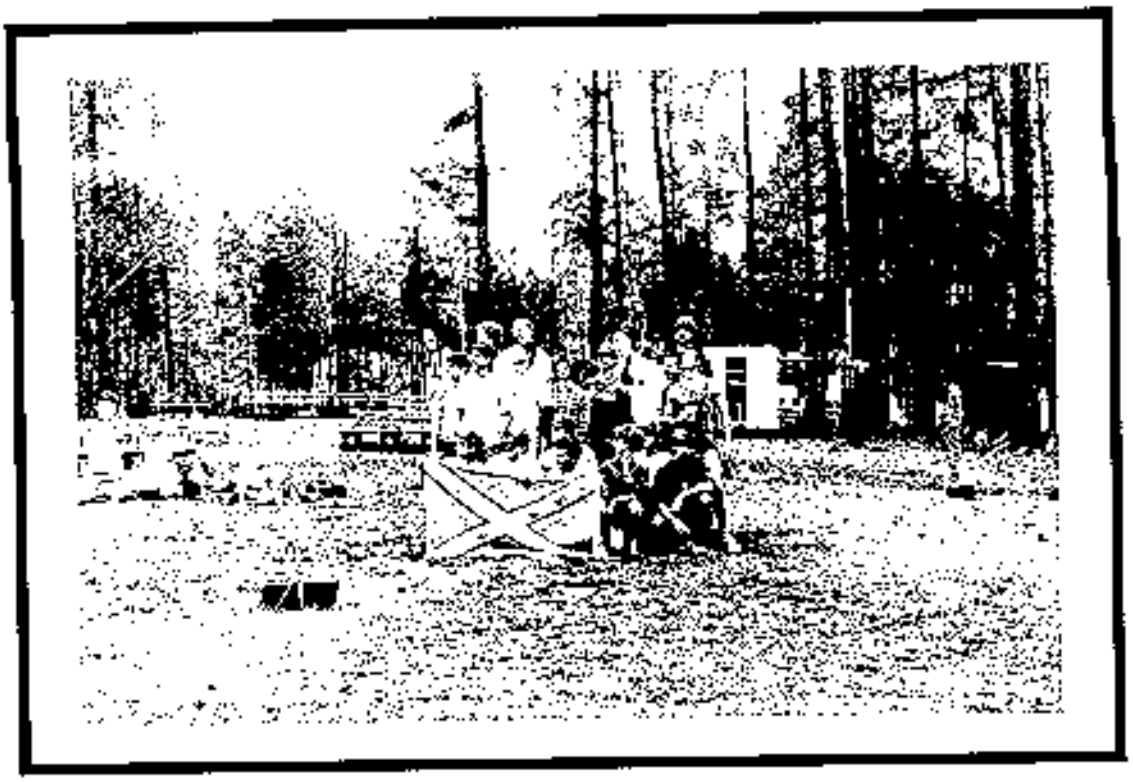

The Auburn Forestry Club would like to extend our graditude to all of the ASFC schools for their cooperation during Conclave; and we hope you enjoyed your visit to Camp ASCCA for the 31st Annual ASFC Conclave. Special thanks to Dr. DeBrunner, Dick Martin, and the staff of Camp ASCCA, without your help we could have never been able to pull off Conclave.

Our major fund raisers are firewood, hat and t-shirt sales; these activities increase our budget and help provide many extra curricular activities. Our major project of the year was the planning of conclave and we worked long hours to make it a success.

Conclave is over and we are back home in Auburn and looking forward to attending Conclave in 1989. We just thank God that it is Clemson hosting and not Auburn next year.

We extend our best wishes and prayers to Clemson, we look forward to seeing you all next year! Good Luck! War Eagle!!

--Auburn

The Clemson Forestry Club has had a busy year beginning with a beach party barbecue at the start of the fall semester. The club also spent this fall cutting and delivering firewood, and selling Christmas trees in our own lots over Christmas break. We also operated a corndog stand during the Clemson homecoming festivities.

Spring semester saw the Clemson Forestry Club practicing for Conclave and planting trees for the department. It was Clemson's turn this year to host the 2nd annual Clemson-Georgia practice conclave. Following Conclave we will have our annual Xi Sigma Pi / Forestry Club banquet and a Forestry Department barbecue and softball game. Then we will all head our seperate ways for the summer only to meet back at Clemson in August and begin planning the 32nd annual ASFC Conclave to be held at Clemson in April 1989.

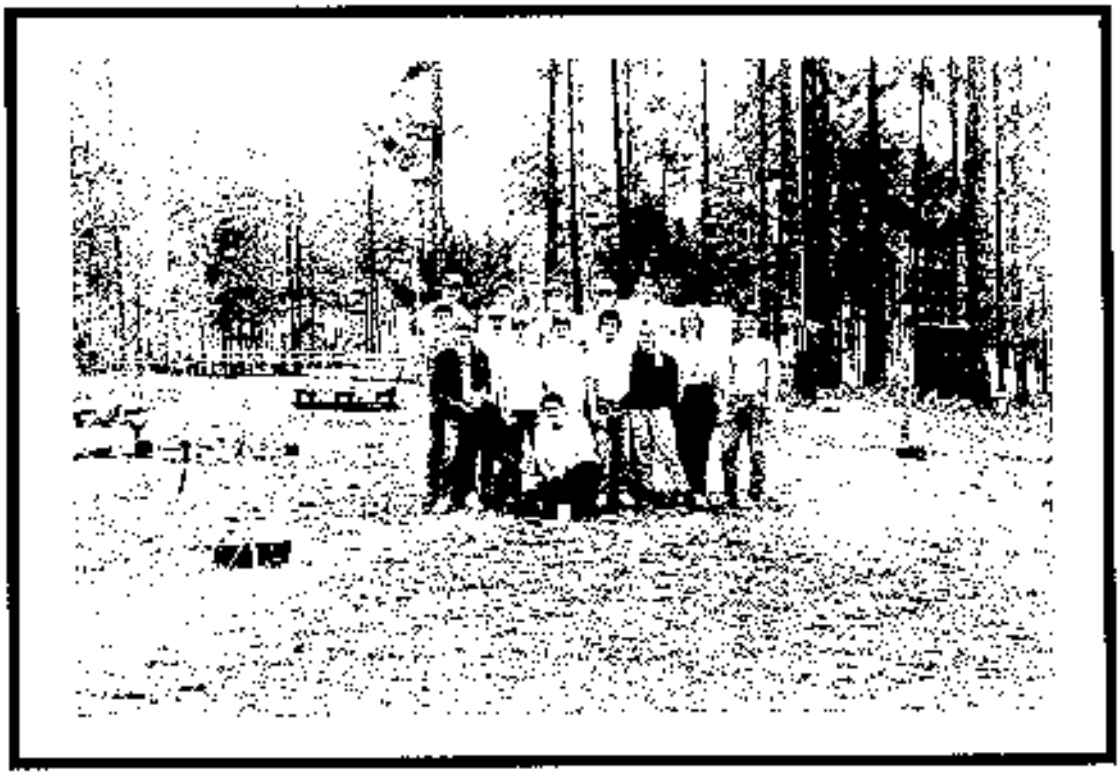

--Clemson

During the past year, the University of Florida Forestry Club has raised money by selling Christmas trees donated by Buckeye Cellulose Corporation, in conjunction with XI Sigma Pi and S.A.F., by holding a pulpwood cut, and by holding two bass fishing tournaments. We have also sold caps, shirts, and coffee mugs. This year, we have also established a sand pine Christmas tree plantation so that future clubs can continue the Christmas tree sale.

During homecoming, a joint Forestry Club/Wildlife Society display finished second in a university-wide exposition. We also held a School of Forest Resources and Conservation alumni barbeque duing homecoming week. The club demonatrated conclave events at two forest festivals in Florida and a film of one festival was later shown on The Nashville Network. Finally, we held a combination Field Day and "Beast Feast", again with the Wildlife Society, where contestants competed in events to see who would represent the club at conclave.

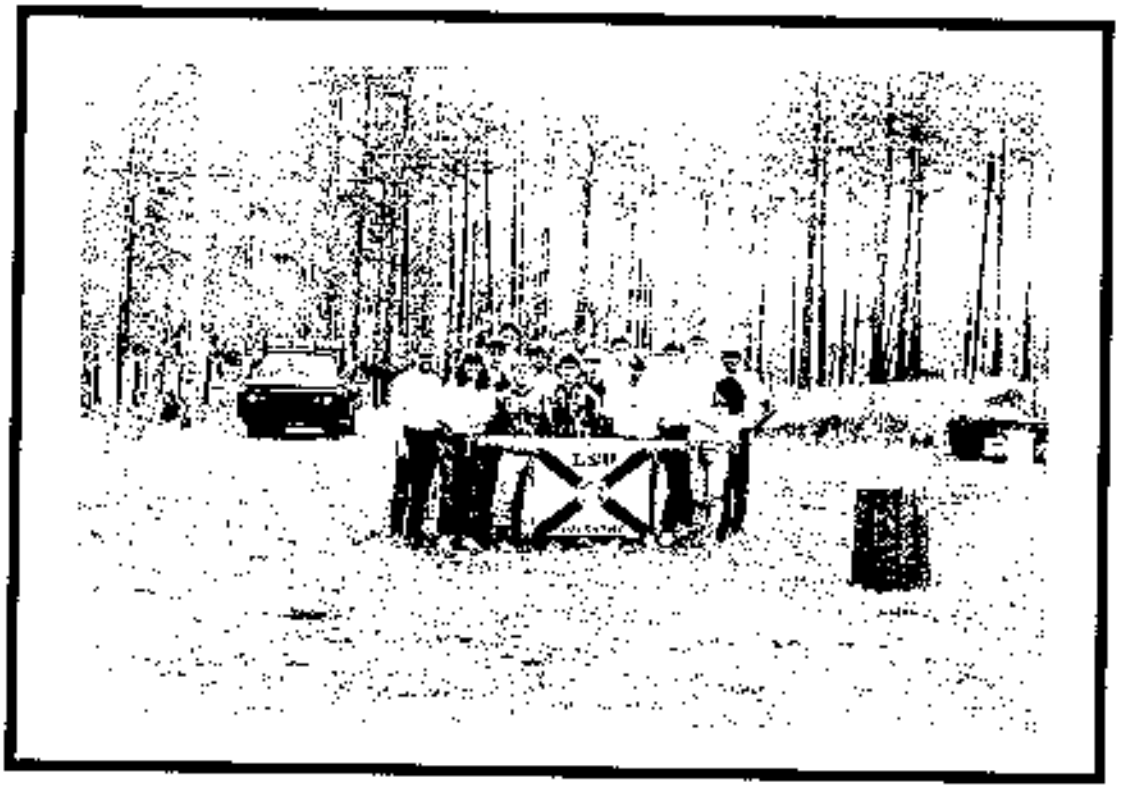

--Florida

The Conclave is a big event every year that we prepare for by holding Field Days within the club and with Clemson. Our club works along with other clubs at the University, such as the Agriculture and Home Economics clubs, to provide dances and picnics. Club activities include a Big Buck Contest, intramural softball, football, and basketball teams. Fund raising activities include selling t-shirts, hats and firewood donated by local companies.

Our faculty advisors, Dr. Green, Dr. Reinert, and SAF advisor, Dr. Steinbeck deserve our thanks and gratitude for their support and advice. A special Thank You to Dean Hargraves for all of the support given to the club. We had a good time this year and are looking forward to next year.

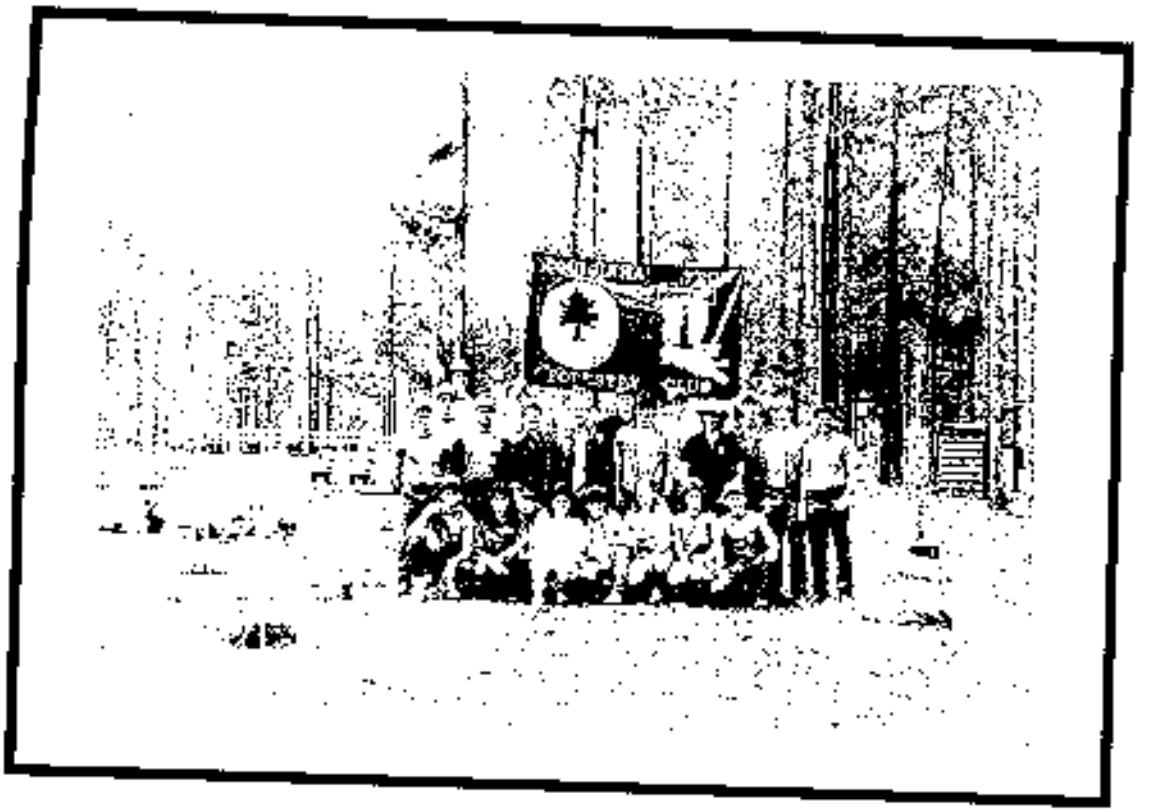

--Georgia

We hosted our annual Smoker which is a cook out that is designed to introduce freshmen to the faculty and students in our club. Our Christmas tree sale was successful, and we sold over 500 Virginia pine trees.

Our Club held a mini-conclave to determine the students that compete at conclave in Auburn this year. Members of the forestry club sell cokes at the rodeo to raise money to go to conclave. Our club will host a crawfish boil for members of the South Eastern Chapter of the Society of American Foresters.

--Louisiana State

The Louisiana Tech Forestry Club has participated in many fund raising activities to help sponsor our trip to Conclave in Auburn. These activities included Christmas tree sales and raffles.

To attract new members we hosted several tailgate parties. Our Christmas Banquet was quite a success and complete with all of the trimmings. Plans are in motion for our Annual Forestry Club Crawfish Boil.

We had a fantastic time in Alabama, and we are already planning our trip to Clemson. See you there. How 'bout them Dawgs.

--Louisiana Tech

Sportmanship Award Winner

The MSU Forestry Club hosted our annual Fall and Spring Field Days in preparation for Conclave in Auburn; both of these days were very successful. We financed our trip to conclave by firewood, hat and t-shirt sales.

Auburn, we enjoyed your hospitality. We look forward to seeing everyone at Conclave next year.

--Mississippi State

The Wolfpack Forestry Club has participated in many activities this past year.

The Crabfest Competition, Annual Bolleo, and Wood for Warmth all provide our club with lots of fun and satisfaction. We are looking forward to attending the Prince George Festival, and Conclave in Clemson next year.

Thank you Auburn. You did a great job! Best of Luck to every club in the coming year.

--North Carolina State

The Oklahoma State University Forestry Club is a group of highly motivated individuals. During the academic year we have donated our services to the County Youth Shelter and participated in various fund raising activities to support the club and to sponsor our trip to Conclave 88.

The OSU Forestry Club was awarded first place in its presentation of a cable yarding system during OSU's Ag week contest; the club has been active in supplying information to the public about professional forestry.

--Oklahoma State

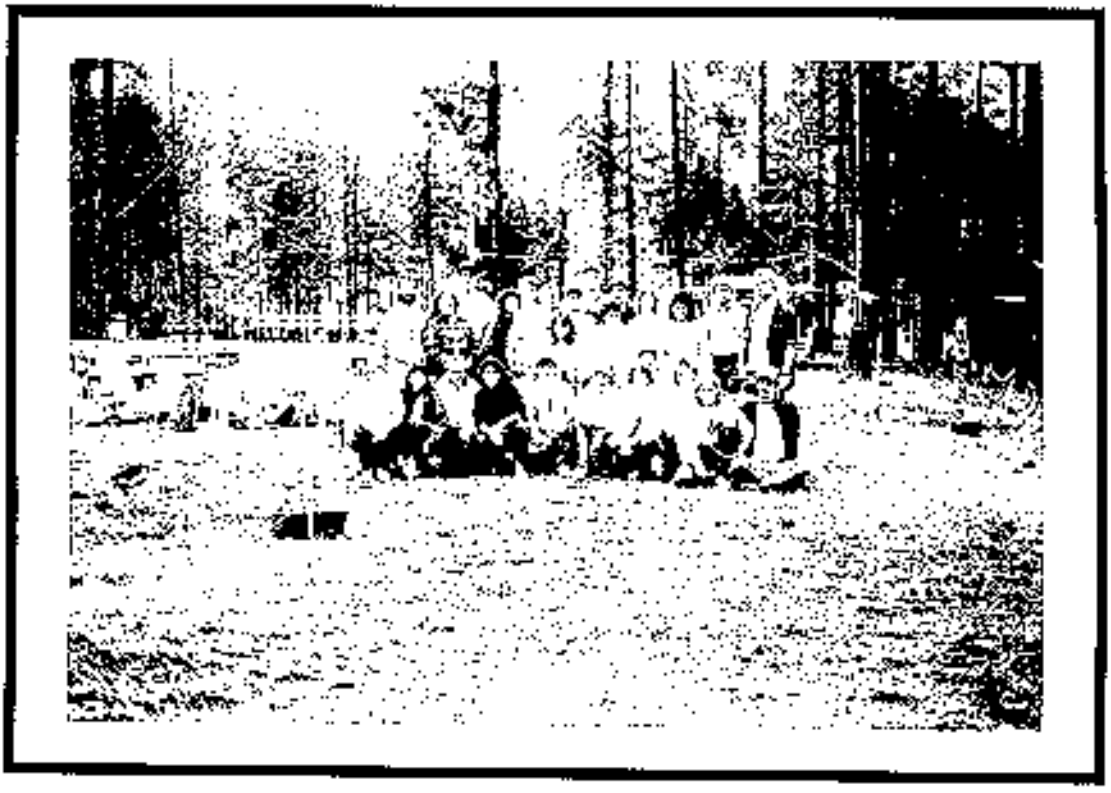

Tennessee's Forestry Club has been very busy during the past year. We held the following fundraising projects: plant sales and raffles to support our activities.

Our many activities throughout the year included - canoeing trips, participating in Conclave in Virginia and SAF events.

We would like to extend our thanks to Auburn for a great Conclave, excellent job. Good luck to everyone, and we will see you in Clemson next year.

--Tennessee

The Stephen F. Austin State University Sylvan Club was proud to be a part of the 31st Conclave held at Auburn. We look forward every year to participating in all of the events. Conclave is a lot of work and a lot of fun for everyone involved.

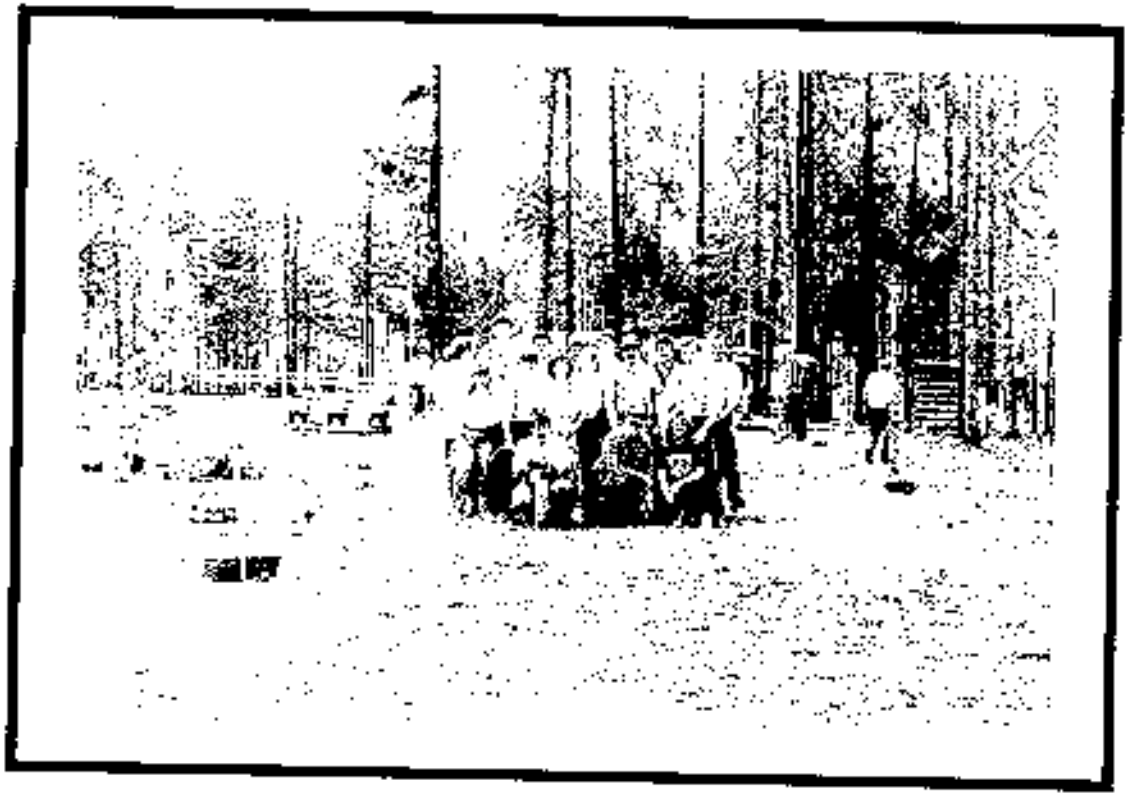

To earn money for Conclave our members participate in tree service work projects around Nacogdoches, Texas. Our school run offs for representation at Conclave were held March 5, 1988.

The Sylvan Club participates in many events each semester including Lumberjack Day, Pineland Day, Groveton Day and the Texas Forest Festival. Our club is also responsible for a float in the Homecoming Day parade and we attend most football games to cheer on our Lumberjacks. We work hard and we play hard!

We would like to wish every club a successful coming year and also give a special thanks to our advisors, Dr. Micheal Fountain, Dr. Ken Watterston, and David Tracey for all of their help throughout the year.

Thanks, Auburn, for a great Conclave and best of luck to Clemson in the coming year as they plan the 32nd Conclave. We'll be looking forward to seeing all of you Foresters again at the 1989 Conclave!

--Stephen F. Austin

The Texas A&M Forestry Club was honored to be a part of the 31st Annual ASFC Conclave in Alabama. We had a great time, despite losing our advisor somewhere along the road in Texas.

During the past year we participated in various events in anticipation of Conclave. These events included fund raisers such as Christmas tree sales and tree removal services. We also held various social activities to increase club membership.

We look forward to seeing ya'll next year in South Carolina. Gig 'Em!

P.S. We love Emmett, too.

--Texas A & M

The VPI Forestry Club has been very successful this year in fundraising. Activities such as firewood, Christmas tree, and seedling sales have provided the club with income, while hard work built our outstanding Conclave team. Tori Reilly, Conclave VP, has put together one great team. Good luck to Clemson - we are planning to have an excellent Conclave. Thanks to Auburn for the wonderful accommodations.

Note: Mike Titus (KY Deathcall) has attended 13 consecutive Conclave; isn't it time for him to graduate?

--Virginia Tech

Constitution
Association of Southern Forestry Clubs

Article I. Name
The name of the organization shall be the Association of Southern Forestry Clubs.

Article II. Objectives
A. To benefit the forestry clubs of the various southern schools by an interchange of ideas and stimulation of good fellowship among the club members.
B. To establish and maintain:
1. Unity of purpose and action within and among the southern forestry clubs.
2. A high standard of professional ethics.
3. Closer cooperation and relationship between students and professional foresters.
C. To hold an annual conclave.

Article III. Membership
1. Any forestry club of a university or college of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, or West Virginia granting a baccalaureate degree in forestry, or equivalent, with a major of forestry, or a higher degree in forestry, shall be eligible for voting membership in this association upon a majority approval of a petition submitted to the voting member clubs; or by application by representation at the Annual Conclave.
2. Charter Members: Louisiana State University, University of Florida, Stephen F. Austin College, Mississippi State University, Oklahoma State University, University of the South, University of Arkansas at Monticello, Auburn University, University of Georgia, North Carolina State College, and Clemson Agricultural College.
3. Any Forestry Club of a senior university or college within the states listed in Part 1 of this section not granting a baccalaureate degree in forestry shall be eligible for associate membership upon a majority approval of a petition submitted to the voting member clubs.
B. Privileges
Members (each club) are entitled to one vote and full participation in all conclave activities.
C. Dues
1. The Annual dues shall be two hundred dollars ($200) for each member club. Entering clubs shall pay a reduced rate to be set by the Association.
2. The dues shall be used to pay for correspondence, publications, and other association expenses of the host club, and any excess funds shall be divided between the member clubs equally.
3. The dues for the year will by paid to the host school by January 1, preceding the Conclave.

Article IV. Officers
A. The officers of the association shall be:
1. President—elected from and by the host club.
2. Vice President—one elected from and by each member club.
3. Secretary—elected from and by the host club.
4. Treasurer—elected from and by the host club.
5. Editor—elected from and by the host club.
B. The duties of the officers:
1. The duties of the President shall be:
a. To preside at all meetings of the association.
b. To appoint committees.
c. To be responsible for submitting an officer's report to the accumulative files upon the completion of ASFC Conclave.
d. To be responsible for obtaining reports from each of his committees and officer heads of the host club.
e. To perform all other duties necessary.

2. The duties of the Vice President shall be:
a. To act as a representative of his club.
b. To notify the president of his election.
c. To complete a report of the activities of the association, and be responsible for submitting materials to the host club for annual publication.
d. To be responsible for submitting member club publications within his club and maintaining an accumulative file of ASFC correspondence.
3. The duties of the Secretary shall be:
a. To keep the minutes of all meetings of the association and to conduct all correspondence relative to the business of the association.
b. To submit an officer's report for the accumulative files upon the completion of the ASFC Conclave.
4. The duties of the Treasurer shall be:
a. To receive and have custody of all money paid to the association.
b. To keep a careful record of all receipts and expenditures.
c. To prepare a financial report for publication in the annual issue of The Southern Forester.
d. To be responsible for the collection of the dues.
5. The duties of the Editor shall be:
a. To gather and edit all material for the annual publication, The Southern Forester.
b. To see that the provisions of Article VII are carried out.
C. Tenure of Office
Officers are to hold office until the next Annual Conclave with the exception of the editor, who will serve until the publication is distributed.
D. Election of Officers.
1. The President, Secretary, Treasurer, and Editor of the Association shall be elected by the host club at their first club meeting following the Conclave.
2. Vice President of the Association shall be elected by their respective clubs at their first meeting following the Conclave.

Article V. Meetings
A. Time of Meetings
1. The business meeting will be held on the Friday preceding the ASFC field day.
2. In case of the tie, the President shall cast the deciding vote.
3. No club shall be the host more than once in three years.
4. If a previously elected host notified the members of the ASFC, by October 1 of the year before it is to hold the Conclave, that it cannot hold the Conclave, the President shall solicit bids from the members and then send a ballot to each member club to be voted on in writing.
5. The host club shall be alternated from east to west whenever possible.

C. Files.
1. Accumulative files shall be maintained by the host club and shall include all members' reports and correspondence.
2. Each file shall contain a copy of the ASFC Constitution.

Article VI. Amendments
The constitution may be amended or revised by a two-thirds vote of the voting member clubs.

Article VII. Publications
A. Title. The title of the publication shall be The Southern Forester.
B. The constitution shall be published annually in the publication of The Southern Forester.
C. The past host club shall publish the ASFC periodical within one month after the Annual Conclave.
D. Securing items for publication.
1. The articles shall be edited by the member club and submitted to the host club.
2. Articles to be printed in the current issue must be in the hands of the publishing editor not later than the time of the Annual Conclave.
E. Distribution. Each Conclave contestant will receive one (1) copy of The Southern Forester. A minimum of twenty (20) copies will be sent to participating member clubs.
F. Proceedings of the Conclave. Proceedings of each Annual Conclave, including minutes of the business meetings, will be published by the host club in the annual publication.

Article VIII. Contests.
A. Competitive events will be held at each Annual Conclave.
B. There will be 20 standard competitive contests at each Annual Conclave.
1. Standard events:
a. Dendrology
b. Compass and pacing
c. Timber estimation
d. D. B. H. estimation
e. Pole classification
f. Wood technology
g. Chain throwing
h. Axe throwing
i. Knife throwing
j. Pole Climbing
k. Bow sawing
l. Log rolling
m. Men's Cross-cut sawing
n. Women's Cross-cut sawing
o. Log chopping
p. Pole felling
q. Log birling
r. Archery
s. Photogrammetry
t. Wildlife
2. Scoring will be based on the number of schools participating in the Conclave. First place winners in field events will be awarded a number of points equal to the total number of schools participating. Second place winners receive 1 less point than the total number of participating schools, third place winners will receive 2 less points than the total number of participating schools, and so on with each succeeding participant who satisfactorily completes the event receiving one or more points. First place winners in technical events will be awarded a number of points equal to the number of participating schools multiplied by 1.5. Second place winners will receive 1.5 points less than the total number of points awarded first place winners; third place winners will receive 3 points less than the total number of points awarded first place winners and so on with each succeeding participant who satisfactorily completes the events receiving 1.5 or more points.
C. In addition to the 20 standard events established in Section B, there may be a maximum of five (5) contests at the discretion of the host club provided that these contests be specified with rules and explanations at the proceeding Annual Conclave. Requests for omission of any standard contests will be made at the preceding Annual Conclave with a two-thirds (2-3) majority vote necessary for approval.
D. The standard set of rules will be made and approved by the voting members of the ASFC.
E. Selection of judges of all contests will be left to the discretion of the host club except in the event the host club participates; then judging will not be done by members of the host club.
F. Only students presently enrolled in school or department of forestry will be eligible to enter ASFC events. In the case of the University of Florida, the University of the South, and the University of Georgia, freshmen and sophomore students presently enrolled and who have declared an intention of enrolling in the forestry department or school at the beginning of their junior year will also be eligible for participation. Texas A & M can use forestry majors that are in wildlife and enrolled in the School of Natural Bioscience.
G. The contestant must meet the same requirements as are specified for individual participation in school athletics. The contestant must be an undergraduate and in credit for athletic participation.
H. In the event that the Conclave delegation or spectators from any member school intentionally or otherwise interfere with the progress of any event in the Conclave, that delegation shall forfeit the rights to score any points in that event.
I. V. P. I. is hereby considered a member of the ASFC by vote taken on May 4, 1963.
J. A table of random members will be used to choose order of teams participating in each event. This order will be sent to each participating school before the Conclave.
K. Contest protests must be filed with a committee of staff members within 15 minutes of the individual infraction. From an alphabetical list, those schools in odd-numbered positions (1, 3, 5, 7, 9, 11, 13) shall provide one staff member for the protest committee for the 1979 Conclave. Those schools in even-numbered positions (2, 4, 6, 8, 10, 12) shall provide one staff member for the 1980 Conclave. This alternate year rotation system shall be continuous.
L. Contestants in the log chopping event must wear hard-toed footwear. The use of skin guards is left to the individual's discretion.
M. Tennessee is hereby considered a member of the ASFC by unanimous vote taken on April 9, 1967.
N. The University of the South is hereby no longer considered a member of the ASFC after the submission of a letter of resignation on April 12, 1969.
O. The University of Kentucky is hereby considered a member of the ASFC by a vote taken on March 29, 1974.
P. Texas A&M University is hereby considered a member of the ASFC by a vote taken on April 12, 1975.
Q. The host club must supply tentative lists for contests involving lists to member schools by November 1. Complaints or suggestions for revision must be mailed back to the host club by December 1. Final lists must be sent to all clubs by February 1, with no changes being made after this date.
R. Louisiana Tech is hereby considered a member of the ASFC by a vote taken on April 6, 1979.
S. West Virginia University member of the ASFC.
T. West Virginia University no longer considered a member of the ASFC after handing in a letter of resignation.
U. "The Sportsmanship Award will be voted on by the Conclave Vice-Presidents. A confidential ballot will be submitted within one hour after the last event to the host club. In case of a tie, the host club will place the deciding vote, otherwise the host club will not vote. Clubs may not vote for themselves."

MINUTES
ASSOCIATION OF SOUTHERN FORESTRY CLUBS
Conclave 1988
Jackson's Gap, Alabama
March 25, 1988

Meeting was called to order at 9:24 p.m. by Auburn University's Forestry Club President, Darren Kirkham. Joe Roberson was appointed as recorder of significant eventss, if any. Roll call was taken and those present at the meeting were club representatives from Arkansas, Auburn, Clemson, Florida, Georgia, L.S.U., Louisiana Tech, Mississippi State, North Carolina State, Oklahoma State, Stephen F. Austin, Tennessee, Texas A&M, and V.P.I.

Auburn's club president, Darren Kirkham welcomed everyone to the 31st Annual Conclave and asked if anyone had problems with accommodations, time tables, etc.

Auburn moved for not reading last year's minutes. MOTION SECONDED AND PASSED.

MOTION from Auburn to abide by deans ruling to cut conclave to a more reasonable time. SECOND from Louisiana Tech. Floor was open to discussion. S.F.A. and Florida stated that conclave an association of the clubs, not the deans and that theyhad no right to violate the constitution by cutting conclave without the consent of the forestry clubs. N.C. State brought up the concern of travel time and safety with driving and weather conditions. The aspect of so called "professionalism" was also discussed in detail. It was an overall opinion of the forestry clubs that the schools needed to come together on this and to reach some sort of agreement with the deans. Florida asked to call for the vote on the current motion. IN FAVOR 2, OPPOSED 12. MOTION DEFEATED.
Open floor.

MOTION from Florida to have all club presidents and deans set down to reach a compromise. SECOND from Clemson. Floor was open for discussion. Arkansas expressedabout the possibility of actually getting all of the deans and forestry club presidents together. Florida moved to amend the motion - that the association come up with a proposal to take to the deans for a compromise. V.P.I. seconded. Floor was open for discussion. Several clubs expressed the view that the proposal was good but actually needed a representative there too. General consensus was that the clubs needed to be on good terms with the Deans and should strive to reach harmony. Clemson called for vote on amended motion. UNANIMOUS decision. AMENDED MOTION ACCEPTED.

Wanda Libby, Secretary for Student Services, Auburn University volunteered to draft a proposal for the club if given each club's opinion in writing by noon, Saturday. Each club will be given a draft of the proposal and if not acceptable, returned for changes. Note: Only 4 clubs turned in their proposals.

MOTION from Arkansas that only scientific names be used in the wildlife events instead of common names. SECONDED by Florida. North Carolina moved to amend the motion to include dendrology. SECONDED by Florida. Floor was open to discussion. Vote was called on the amended motion. IN FAVOR 5, OPPOSED 9. MOTION DEFEATED. Vote was called on the original motion. Roll call vote was called due to discrepancy. IN FAVOR 1, OPPOSED 13. MOTION DEFEATED.

Open Floor.

MOTION from Clemson to drop all non-point events. SECONDED by S.F.A. Floor was open to discussion. Clemson withdrew motion. MOTION from Florida that point events be held on two days (Friday & Saturday) with choice resting with hosting school on whether or not to hold non-point events. SECONDED BY S.F.A. Vote was called. IN FAVOR 13, OPPOSED 1. MOTION PASSED.

Open floor.

Questions were brought up concerning whether the DBH estimations is measured with a positive dviation only, the scale on timber cruise map, and rolling log. Questions were answered. It was decided in the judges meeting to disqualify the competition log in log rilling and the practice lig become the competition log. DBH deviation is absolute value. Estimation map area is 7 acres and property line is 20 chains long.

MOTION by Arkansas that if host club for conclave can not host according to the constitution that it not be hosted by them. SECONDED by Florida. Floor open for discussion. Arkansas moved to amend the motion - that they receive a majority vote of ALL ASFC clubs before events are cancelled. Seconded by Auburn. Floor open to discussion. Questions were brought up on how to select alternative host. Expressed need of better communication between schools so as to prevent misunderstandings. Florida requests roll call vote on amended motion. UNANIMOUS. AMENDED MOTION PASSED.

MOTION by Texas A&M to adjourn meeting. SECONDED by Auburn. MOTION by Louisiana Tech that there should be no set time limit on log chopping. Motion off the floor because motion was made to adjourn. Discussion was held. Vote was called to adjourn. UNANIMOUS. MOTION PASSED.

Meeting adjourned approximately 11:05.

SPECIAL NOTE: **From the Minutes of Southern Forestry School's Dean's Retreat held at Windrock International, Morrelton, Arkansas July 27, 1987**

Conclaves - It was the opinion of some Deans that the conlaves are getting out of hand. Conclaves are getting larger, taking more time and students are leaving earlier each year. It was the general concensus of the group that the Deans and Department Heads should have more control and that the length of time for the conclaves be limited to one day. Travel to a Conclave on Friday - Conclave on Saturday with banquet Saturday night - return Sunday. The Conclaves are currently running 2 to 2 1/2 days. Some direction should also be given students with regard to image and their use of chewing tobacco, alcohol and drugs. Events such as chewing tobacco spitting should be eliminated. A motion reflecting these ideas was made, seconded, and passed that the length of time for conclaves be reduced.

HOST SCHEDULE

	WEST	EAST
1989		
1990	Mississippi State	Clemson
1991		
1992	LSU/LA Tech	Virginia Tech
1993		
1994	S.F. Austin	Tennessee
1995		
1996	Arkansas	Florida
1997		
1998	Oklahoma State	Georgia
1999		
2000	LSU/LA Tech	N.C. State
2001		
2002	Texas A&M	Auburn*

*Auburn moves to eastern region as a result of Kentucky dropping out

EXPLANATORY NOTES:

1. The fifteen member school of the ASFC were divided into east and west regions. The east contains seven schools, the west eight.

2. Past hosting of Conclave was considered in placing all member schools on the proposed rotation. Schools that hosted Conclave within the past few years were placed further down the list. An attempt was made to include new members or schools that have never hosted Conclave as near as possible to the top of the list and yet maintain an east-west conformity.

3. Since Louisiana State and Louisiana Tech expressed interest in hosting a joint Conclave, they were spaced to maintain a 8-year frequency for Louisiana. At the 1981 Business Meeting, it was decided that Louisiana State and Louisiana Tech would host Conclave at roughly twice the normal frequency (every 8 years instead of every 15 years) if in fact they did conduct a joint-hosted Conclave. If they did not host Conclave jointly, their individual positions would stand as presented in the prior proposed rotation: Louisiana Tech in 1984 and Louisiana State in 1992. The two Texas schools, Stephen F. Austin and Texas A&M, maintain a frequency of 8 years for their state also.

4. In the event a scheduled host school cannot function as host in their year, they will be dropped to the bottom of their region's list, and all following schools will advance up one position.

AN INVESTMENT IN GROWTH

GREAT SOUTHERN PAPER
GREAT SOUTHERN PLYWOOD
CHATTAHOOCHEE INDUSTRIAL RAILROAD

Growth. It's the standard by which most people measure success. And growth is measured not only in size but in quality, too.

Great Southern is expanding and improving the southern forests to ensure the availability of our natural resources in the future. This is good for the trees, and the people too, because a well managed forest means economic growth for all of us in this region . . .
