Comments from The Sylvans Club Advisor:

I would like to express my appreciation to all students, faculty, and friends of the College of Forestry at SFA who assisted in the preparation and hosting of the 34th ASFC Conclave. The role of host is no small matter - I'm grateful that it only occurs every 14 years. However, I may "get" to host it one more time since I won't retire until 2013! The overall budget for this event was mind boggling. The logistics involved in getting food and accomodations for 300+ attendees and having green, wet wood for each event were complicated. The need for good weather, fair competition, and safety of all participants led to many sleepless nights. Given all these concerns, it would seem that no one would accept the position of Conclave President or Conclave Advisor. The 34th Conclave would not have been a success without the relentless effort of Ms. Jennifer Pitarresi. I drafted her for the position because I knew she would get the job done - and she did!

I sincerely hope that everyone who attended left TEXAS with the memory of a great conclave. I applaud the effort of every competitor. The overall competitiveness of each event has steadily increased over the last several years. I hope this trend continues at Florida. The Sylvans of SFA are looking forward to the challenge of defending the Championship while knowing that this task will be very difficult.

Good luck in 1995.

The Sylvans' Club has had a busy year. We participated in the Texas Forest Festival, Pineland Days, and the Harvest Festival. We also hosted Lumberjack Day, an annual event for the university as part of our Homecoming activities. We raised money with t-shirt sales and our tree trimming service on the weekends, and most importantly, we hosted the 37th annual ASFC Conclave. Thanks to all who came to Conclave "94. We hope everyone had as much fun as we did. Thanks for all the appreciation, too. Most all of the credit goes to our Conclave President, Jenny P. Thanks to all of the people who donated services, time and money, especially Dr. Beasley and all of the rest of the falculty and satff at SFA. We couldn't have done it with out you! We are looking forward to Conclave '95 in Florida. See y'all there!

We've been involved in basically the same things as in the past. We sold firewood, planted trees, did research work for Dr. Yeiser, and we have been active in school events as well. All of us are looking forward to Florida, and those who will be here are working hard for '96. Many thanks to our number one competitor - SFA. Y'all are the bestest hosts we ever met. (Wish we could say that for the camp manager.) We enjoyed the cheers, chants, and 'friendly' competition (like usual). But next year, we ain't driving. We're renting a bus to Florida. We had some great times at Conclave and wish we could keep going and competing. But some things must end, and this is it for us.

The year of 1993-94 has been a very enthusiastic year for the Clemson Forestry Club. We have participated in planting trees for the University Forest, selling Christmas trees, and firewood in order to support the Forestry Club. We would like to thank SFA for presenting the 37th annual ASFC Conclave. "Tigers in the House!"

The University of Florida Gator Forestry Club works closely with the SAF on various community projects including Project Learning Tree Workshops. We attended the Florida Forestry Festival sponsored by the Florida Forestry Association as well as hosted our own field day with Lake City Community College Forestry Club. Our Christmas tree sale this year was a big success, and we are happy to report that we didn't take last place at Conclave in 1994. We'll be looking forward to seeing everyone on our home court in 1995! GO GATORS!

The UGA Forestry Club has had a good year. We raised money with t-shirt, hat, and firewood sales. There are about forty paid members in the club. SFA did a great job with Conclave this year. Hope to see all of you in Gainsville, FLA next year.

The LSU Forestry Club would like to thank SFA for hosting a fantastic and well-organized Conclave. We had a terrific time. The Forestry Club looks forward to Conclave every year, and we work hard each year to get there. We participate in several fundraising activities which include our annual Christmas tree sale and the LSU Rodeo. We look forward to seeing y'all in '95!

This has been a great year for us! Our membership has exploded, and now, we have the largest student chapter in the Society of American Foresters. This year, we have taken part in Forestry Awareness Week in Lincoln Parish. We have also planted trees to raise money for Conclave. The club has had a great time at Conclave and appreciate the hospitality and hard work of SFA. Our club is very young and looking forward to next year.

We have had several socials to involve our lower classmen. We've had several cookouts. Our club has hosted speakers and seminars to aid our members in directing their course of study. Our main fundraisers have been firewood sales and shirt and cap sales. We have worked hard to develop close relations with our dean and faculty. We set up recruitment booths at school discovery days. Project Learning Tree and Project Wild were sponsored to enhance relations between foresters and teachers. Our club helped to administer the MS registered forester's exam. Our field days were great successes and involved both forestry and wildlife students and has become a much awaited annual event.

We've had a big year since last year's conclave in Tennessee. We've been very successful at raising funds by performing tree jobs (uninsured, of course) for the citizens of Raleigh. The money earned from this has allowed us to attend several competitions including this year's conclave. We'd like to take the opportunity to thank SFA for making the 37th Annual Conclave worth the 22 hour drive. The food, hospitality and organization were all first rate. Thanks for a great Conclave! Oh, yeah. Next time send the park manager on vacation. We'll see you next year!

Conclave this year was a tremendous success. It was very well organized and seemed to run like clockwork. We would like to congratulate SFA for winning this year and to say thanks for being the host as well. This past year the U.T. Forestry Club has been involved in several money making and community service activities. These activities included a Christmas tree sale, tree plantings, TN RE-LEAF education program, Boy Scouts Forestry merit badge, seedling sales, and Adopt a Highway. We have a couple of social events each year in which a bonfire is built, and a pig is roasted. This is an opportunity for students and faculty to meet and socialize outside of the classroom. In closing, we would like to thank SFA for their hospitality, and we look forward to Conclave in the Swamp.

Everyone here at Texas A&M Forestry Club would like to thank our fellow Texans at SFA for putting on a great Conclave. We would also like to congratulate SFA on their big win. Having Conclave so close to home made for an uneventful yet enjoyable trip. Through a lot of hard work with the chainsaws removing trees and cutting firewood, we were able to make enough money so that no one had to pay for this year's Conclave. We look forward to seeing everybody again next year in Florida. Hopefully, we can have Conclave on the beach! Thanks for everything! GIG'EM AGGIES!

This has been a great year for the VA Tech Forestry Club. we Made over $3000 selling Christmas trees from our Christmas tree farm which is managed by the Forestry Club members. We sold hundreds of loads of firewood and had around 40 new people join the club. With a little financial help from the University, thirty members were able to make the seventeen hour drive to Texas. We all had a great time at conclave this year. SFA did a great job running Conclave. Congratulations on your victory. We'll be seeing you in the swamps of Florida!

Association of Southern Forestry Clubs
CONSTITUTION

ARTICLE I. Name

The name of the organization shall be the Association of Southern Forestry Clubs.

ARTICLE II. Objectives

A. To benefit the forestry clubs of the various southern schools by an interchange of ideas and stimulation of good fellowship among the club members.
B. To establish and maintain:
   1. Unity of purpose and action within and among the southern forestry clubs.
   2. A high standard of professional ethics.
   3. Closer cooperation and relationship between students and professional foresters.
C. To hold an annual conclave.

ARTICLE III. Membership

A. 1. Any forestry club of a University or College of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, or West Virginia granting a baccalaureate degree in forestry, or equivalent, with a major of forestry, or a higher degree in forestry, shall be eligible for voting membership in this association upon a majority approval of a petition submitted to the voting member clubs; or by application by representation at the Annual Conclave.

2. Charter Members: Louisiana State University, University of Florida, Stephen F. Austin State University, Mississippi State University, Oklahoma State University, University of the South, University of Arkansas at Monticello, Auburn University, University of Georgia, North Carolina State College, and Clemson Agricultural College.

3. Any Forestry Club of a senior university or college within the states in Part 1 of this section not granting a baccalaureate degree in forestry shall be eligible for associate membership upon a majority approval of a petition submitted to the voting member clubs.

B. Privileges

Members (each club) are entitled to one vote and full participation in all conclave activities.

C. Dues

1. The annual dues shall be two hundred dollars ($200) for each member club. Entering clubs shall pay a reduced rate to be set by the Association.
2. The dues shall be used to pay for correspondence, publications, and other association expenses of the host club, and any excess funds shall be divided between the member clubs equally.
3. The dues for the year will be paid to the host school by January 1, preceding the Conclave.

ARTICLE IV. Officers

A. The officers of the Association shall be:
   1. President - elected from and by the host club.
   2. Vice President - elected from and by each member club.
   3. Secretary - elected from and by the host club.
   4. Treasurer- elected from and by the host club.
   5. Editor - elected from and by the host club.

B. The duties of the officers:

1. The duties of the President shall be:
   a. To preside at all meetings of the Association.
   b. To appoint committees.
   c. To be responsible for submitting an officer's report to the accumulative files upon the completion of the ASFC Conclave.
   d. To be responsible for obtaining reports from each of his committees and officer heads of the host club.
   e. To perform all other duties necessary.
2. The duties of the Vice President shall be:
   a. To act as a representative of his/her club.
   b. To notify the president of his/her election.
   c. To complete a report of the activities of the Association and be responsible for submitting materials to the host club for annual publication.
   d. To be responsible for submitting member club publications within his/her club and maintaining an accumulative file of ASFC correspondence.
3. The duties of the Secretary shall be:
   a. To keep the minutes of all meetings of the Association and to conduct all correspondence relative to the business of the Association.
   b. To submit an officer's report for the accumulative files upon completion of the ASFC Conclave.
4. The duties of the Treasurer shall be:
   a. To receive and have custody of all money paid to the Association.
   b. To keep a careful record of all receipts and expenditures.
   c. To prepare a financial report for publication in the annual issue of The Southern Forester.
   d. To be responsible for the collection of the dues.
5. The duties of the Editor shall be:
   a. To gather and edit all material for the annual publication, The Southern Forester.
   b. To see that the provisions of Article VII are carried out.

C. Tenure of Office

Officers are to hold office until the next Annual Conclave with the exception of the Editor, who will serve until the publication is distributed.

D. Election of Officers

1. The President, Secretary, Treasurer, and Editor of the Association shall be elected by the host club at their first club meeting following the Conclave.
2. Vice President of the Association shall be elected by their respective clubs at their first meeting following the Conclave.

ARTICLE V. Meetings

A. Time of Meetings
1. The business meeting will be held on the Friday preceding the ASFC field day.
2. In case of a tie, the President shall cast the deciding vote.
3. No club shall be the host more than once in three years.
4. If a previously elected host notified the members of the ASFC by October 1 (preceding the Conclave) that they cannot hold the Conclave, the President shall solicit bids from themembers and then send a ballot to each member club to be voted on in writing.
5. The host club shall be alternated from east to west whenever possible.

C. Files
1. Accumulative files shall be maintained by the host club and shall include all members' reports and correspondence.
2. Each file shall contain a copy of the ASFC Constitution.

ARTICLE VI. Amendment

The constitution may be amended or revised by a two-thirds vote of the voting member clubs.

ARTICLE VII. Publications

A. The title of the publication shall be The Southern Forester.
B. The constitution shall be published annually in the publication of The Southern Forester.
C. The past host club shall publish the ASFC periodical within one month after the Annual Conclave.
D. Securing items for publication.
   1. The articles shall be edited by the member club and submitted to the host club.
   2. Articles to be printed in the current issue must be in the hands of the publishing editor not later than the time of the Annual Conclave.
E. Distribution
   Each Conclave contestant will receive one (1) copy of The Southern Forester. A minimum of twenty (20) copies will be sent to participation member clubs.
F. Proceedings of the Conclave
   Proceedings of each Annual Conclave, including minutes of the business meetings, will be published by the host club in the annual publication.

ARTICLE VIII. Contests

A. Competitive events will be held at each Annual Conclave.
B. There will be 21 standard competitive contests at each Annual Conclave.
   1. Standard events.
      a. Dendrology
      b. Compass and Pacing
      c. Timber Estimation
      d. D.B.H. Estimation
      e. Pole Classification
      f. Wood Technology
      g. Chain Throwing
      h. Axe Throwing
      i. Knife Throwing
      j. Pole Climbing
      k. Bow Sawing
      l. Log Rolling
      m. Men's Cross-cut Sawing
      n. Women's Cross-cut Sawing
      o. Jack and Jill Cross-cut Sawing
      p. Log Chopping
      q. Pole Felling
      r. Log Birling
      s. Archery
      t. Photogrammetry
      u. Wildlife

   2. Scoring will be based on the number of schools participating in the Conclave. First place winners in field events will be awarded a number of points equal to the total number of schools participating. Second place winners receive 1 less point than the total number of participating schools, and so on with each succeeding participant who satisfactorily completes the event receiving one or more points. First place winners in technical events will be awarded a number of points equal to the number of participating schools multiplied by 1.5. Second place winners will receive 1.5 points less than the total number of points awarded first place; third place winners will receive 3 points less than the total number of points awarded to first place winners and so on with each succeeding participant who satisfactorily completes the events receiving 1.5 or more points.
C. In addition to the 21 standard events established in Section B, there may be a maximum of five (5) contests at the discretion of the host club provided that these contests be specified with rules and explanations at the preceding Annual Conclave. Requests for omission of any standard contests will be made at the preceding Annual Conclave with a two-thirds (2/3) majority vote necessary for approval.
D. The standard set of rules will be made and approved by the voting members of the ASFC.
E. Selection of judges of all contests will be left to the discretion of the host club except in the events the host club participates, then judging will not be done by members of the host club.

F. Only students presently enrolled in the school or department of forestry will be eligible to enter ASFC events. In the case of the University of Florida, the University of the South, and the University of Georgia, freshman and sophomore students presently enrolled and who have declared an intention of enrolling in the forestry department or school at the beginning of their junior year will also be eligible for participation. Schools without wildlife within their forestry departments will be allowed to use wildlife majors who are members of the forestry club. Texas A & M can use forestry majors that are in wildlife enrolled in the School of Natural Bioscience.

G. The contestant must be an undergraduate enrolled in an ASFC eligible school (see Article III, Section A.,1-3) during the term of the conclave in which he/she will be competing.

H. In the event that the Conclave delegation or spectators from any member school intentionally or otherwise interfere with the progress of any event in the Conclave, that delegation shall forfeit the rights to score any points in that event.

I. V.P.I. is hereby considered a member of the ASFC by vote taken on May 4, 1963.

J. A table of random numbers will be used to choose order of teams participating in each event. This order will be sent to each participating school before the Conclave.

K. Contest protests must be filed with a committee of staff members within 15 minutes of the individual infraction. From an alphabetical list, those schools in odd-numbered positions (1, 3, 5, 7, 9 ,11, 13) shall provide one staff member for the protest committee for the 1979 Conclave. Those schools in even—numbered positions (2, 4, 6, 8, 10, 12) shall provide one staff member for the 1980 Conclave. This alternate year rotation system shall be continuous.

L. Contestants in the log chopping event must wear hard-toed footwear. The use of shin guards is left to the individual's discretion.

M. Tennessee is hereby considered a member of the ASFC by unanimous vote taken on April 9, 1967.

N. The University of the South is hereby no longer considered a member of the ASFC after submission of a letter of resignation on April 12, 1969.

O. The University of Kentucky is hereby considered a member of the ASFC by a vote taken on March 29, 1974.

P. Texas A & M is hereby considered to be a member of the ASFC by a vote taken on April 12, 1975.

Q. The host club must supply tentative lists for contests involving lists to member schools by November 1. Complaints or suggestions for revision must be mailed back to the host club by December 1. Final lists must be sent to all clubs by February 1, with no changes being made after this date.

R. Louisiana Tech is hereby considered a member of the ASFC by a vote taken on April 6, 1979.

S. West Virginia University is hereby considered a member of the ASFC by a vote taken on March 27, 1981.

T. West Virginia University is no longer considered a member of the ASFC after submission of a letter of resignation on December 5, 1981.

U. The Sportsmanship Award will be voted on by the Conclave Vice-Presidents. A confidential ballot will be submitted within one hour after the last event to the host club. In case of a tie, the host club will place the deciding vote, otherwise the host club will not vote. Clubs may not vote for themselves.

V. In case of a tie for the Ten Year Cup, the decision will be made by total number of points from the past ten years.

W. The host school should come up with non-point events to be distributed by November to other schools for their approval or disapproval as to whether the events should be conducted.

Minutes
Association of Southern Forestry Clubs
37th Annual ASFC Conclave
Stephen F. Austin State University
March 17, 1994

The meeting was called to order at approximately 7:40 p.m. by Conclave President, Jennifer Pitarresi. The roll was called and represinitives were present from: Arkansas-Monticello, Florida, Georgia, Lousiana State, Lousiana Tech, Mississippi State, N.C. State, Stephen F. Austin, Tennessee, Texas A&M, and Virginia Tech. Auburn, Clemson, and Oklahomea State were not present.

A vote was taken to amend the compass and pacing rule (to use relative precision) in the Rules for the Events as was discussed last year. This rule would be in effect for the 1994 Conclave. The vote was unanimous.

Announcements were made requesting a list of each school's competitors with any confilcts in event times noted on the list. Also, competitors need to be at their event 30 minutes prior to the event except pole climbing and log chopping where competitors need to report 1 hour before their event.

A motion was made and discussed to switch the order of knife and axe throw from the order on the schedule. The motion passed unanimously to have axe throw first and knife throw second.

History of Sawmilling

No one knows exactly when the first East Texas tree was cut down and converted into lumber, but it was probably in the early 1800s when settlers began to arrive here from the Southern states. ❦ The first lumbering operations were pit mills" in which loggers positioned a log over a pit, enabling a man in the pit and a man on top of the log to laboriously cut one board at a time by pulling a saw back and forth through the log. ❦ There is a record of a water-powered sawmill as early as 1819 at San Augustine and another that operated with a horse-powered treadmill in 1825. ❦ Near Nacogdoches, sometime before 1829, Peter Ellis Bean, an adventurer and former Mexican official, built a water-powered combination sawmill and gristmill near Nacogdoches. ❦ He also ran a lumberyard in town. Similar sawmills were probably in operation elsewhere in East Texas at the time. ❦ All of these were crude sash mills which produced lumber at a rate of no more than 500 to 2,000 board feet a day. ❦ The power to operate such mills was obtained by damming local streams. The first steam mills began to make their way into East Texas in the early 1830s. ❦ One of the first such mills was at Harrisburg, near present-day Houston, at the end of 1830. ❦ It operated for years and was burned by General Santa Anna's troops during the invasion of Texas in 1836. ❦ The first major sawmill in Texas opened in 1877 when lumbermen Henry J. Lutcher and G. Bedell Moore founded Lutcher and Moore Lumber Company, bought vast blocks of timberland in East Texas, and built a sawmill on the banks of the Sabine River at Orange. ❦ Later, in 1894, T.L.L. Temple began operating a sawmill in Diboll, Texas. Called Southern Pine Lumber Company, the company and the town around it were built to last. ❦ Indeed, Southern Pine is the predecessor of Temple-Inland Forest Products Corporation, one of the nation's most successful forest products companies- celebrating this year its first century of progress. ❦

Oriented Strand Board ...

a vastly superior structural wood product

- same strength and versatility as plywood,
- better stability,
- no length restrictions,
- easier to handle, and
- affordable.

OSB is Louisiana-Pacific's answer to an environmentally sound and cost-effective alternative to building homes and businesses.

Louisiana-Pacific incorporated an innovative technology which combines wood fiber with L-P's Inner-Seal® binder to make Oriented Strand Board, a board structure superior to natural wood. OSB is produced from plentiful, fast-growing, small-sized trees, not precious old-growth timber. L-P literally takes a tree apart and rebuilds it using revolutionary scientific methods that gives you an exceptionally strong and uniformly engineered board.

And there are lots of OSB products for your building projects:

- **Lap Siding**
- **Panel Siding**
- **Soffit Panels**
- **Exterior Trim and Fascia**
- **T&G Flooring**
- **Sheathing**

OSB ... a true triumph in wood technology.

Make the most of our forest resources by using L-P's wood products.
