# FORESTRY CLUB

Virginia Polytechnic Institute and State University

Southern Foresters,

Are you having fun yet? I really hope that everyone had a great time at the 41st Annual ASFC Conclave at Holiday Lake 4-H Center. I know Virginia Tech had a good time and, after all the hard work, I think we hosted one of the best Conclave.

Thanks to everybody for the good sportsmanship and some pretty close competition. Special thanks to the Virginia Tech work crew (you know who you are), the club advisors, the camp staff at Holiday Lake, and to Dr. Zedaker, whose knowledge made it all possible.

From what I saw this year, ASFC is continuing to grow and change with the times. I wish I could compete against some of those new cross cuts everybody plans on bringing. Updating rules, adding events, and working to make the events fair to all schools is just part of the changes taking place. Maybe it is time to invite some new schools to come see what we are all about? More competition will just make it all that much better.

I look forward to seeing you next year at the 42nd Annual Conclave in North Carolina.

Sincerely,
Ben Burger
1997-98 ASFC President

PS. It's easier to put sweetener in than take it out.

# Arkansas

We would like to thank VPI for hosting one Hell of a Conclave. There were some big shoes to fill this year, and our competitors didn't let us down. Our president worked hard this year and did a great job. We would like to see everybody back next year for a good time in North Carolina. Don't tell the VPI alumni where we are at. Good job LA Tech for not getting kicked out this year, we're proud of ya. MORALE UP!

President: Brent Davis
Vice President: Joe Felsman
Secretary: Beth Corbin
Treasurer: Anna Tallmadge
Social Chairman: Robert Brewington
Conclave Captains: Jeff Caubble &
Robert "Brew" Brewington

# Auburn

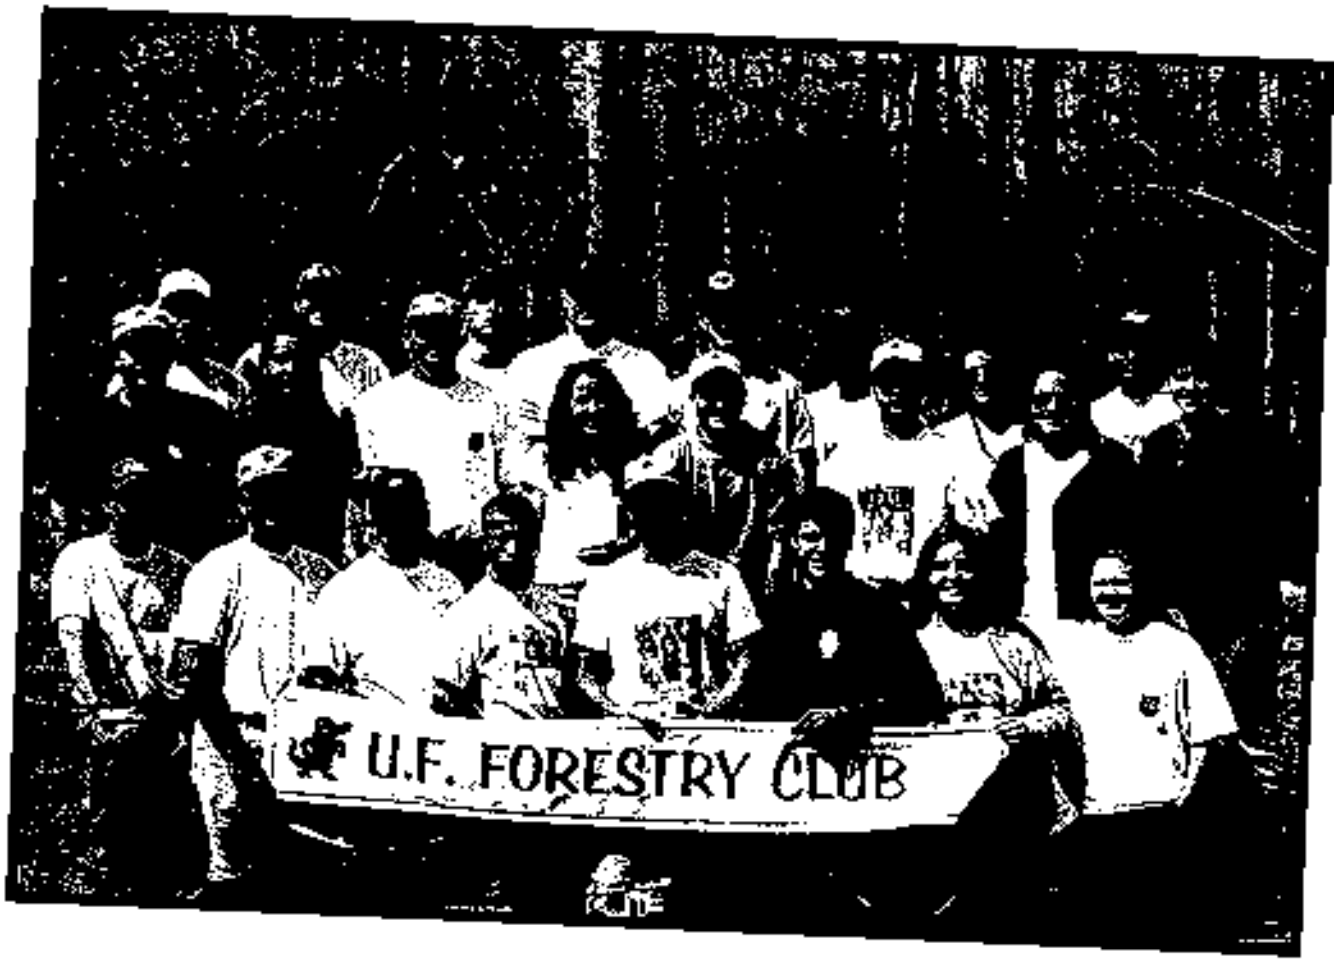

Auburn University would like to extend our appreciation to Virginia Tech for hosting the 41st annual Conclave. The hospitality extended to us was very much appreciated. This, the first Conclave any of our team members have attended, will be an experience we will remember for the rest of our lives.

# Clemson

V.T. did a great job putting this thing on. They helped us out in every way possible. We had some trouble this year but with hard work, dedication, and sportsmanship we pulled it out and brought the best group ever. Thanks LA Tech and M.S.U. for the sportsmanship and help with the female events. Thanks L.S.U. for the chain. Most of all, thanks V.T. for a great show and the saw!

# Florida

Fourteen hours in a van...Hey, for the chance to eat, drink, and be merry with our fellow foresters, no trip is too long! Many thanks to Virginia Tech for all the planning and hard work that made this Conclave great. We'd also like to thank all the other clubs for making this a wild event—we'll see you in North Carolina next spring. Go Gators!

# Georgia

The University of Georgia Forestry Club would like to thank Virginia Tech for putting on a good Conclave. We enjoyed the 41st Annual ASFC Conclave and had a great time, even though we did not win it all. We raised money to attend this year by selling firewood, shirts, and hats, along with help from our D. B. Warnell School of Forest Resources. We look forward to seeing everyone in North Carolina for the 42nd ASFC Conclave next year.

President: Tim Dixon
Vice President: Phillip Allen
Treasurer: John Gassett
Secretary: Scott Phillips

# Louisiana Tech

What a Conclave! Getting to stay the whole time really makes a difference. We planted trees and sold hats to get here. It was great to see everyone again this year. VPI did a fantastic job hosting this year. Remember...it's not if you win or lose that counts, it's how much beer you drink.

P.S. Contrary to popular belief, we did not break the flag pole and all the furniture remained in the bunkhouse.

# Louisiana State

Hats off to Virginia Tech for a wonderful Conclave. Aggies and Tigers make a whole lotta trouble. See ya'll next year. In the mean time, watch out for One Night Wanda.

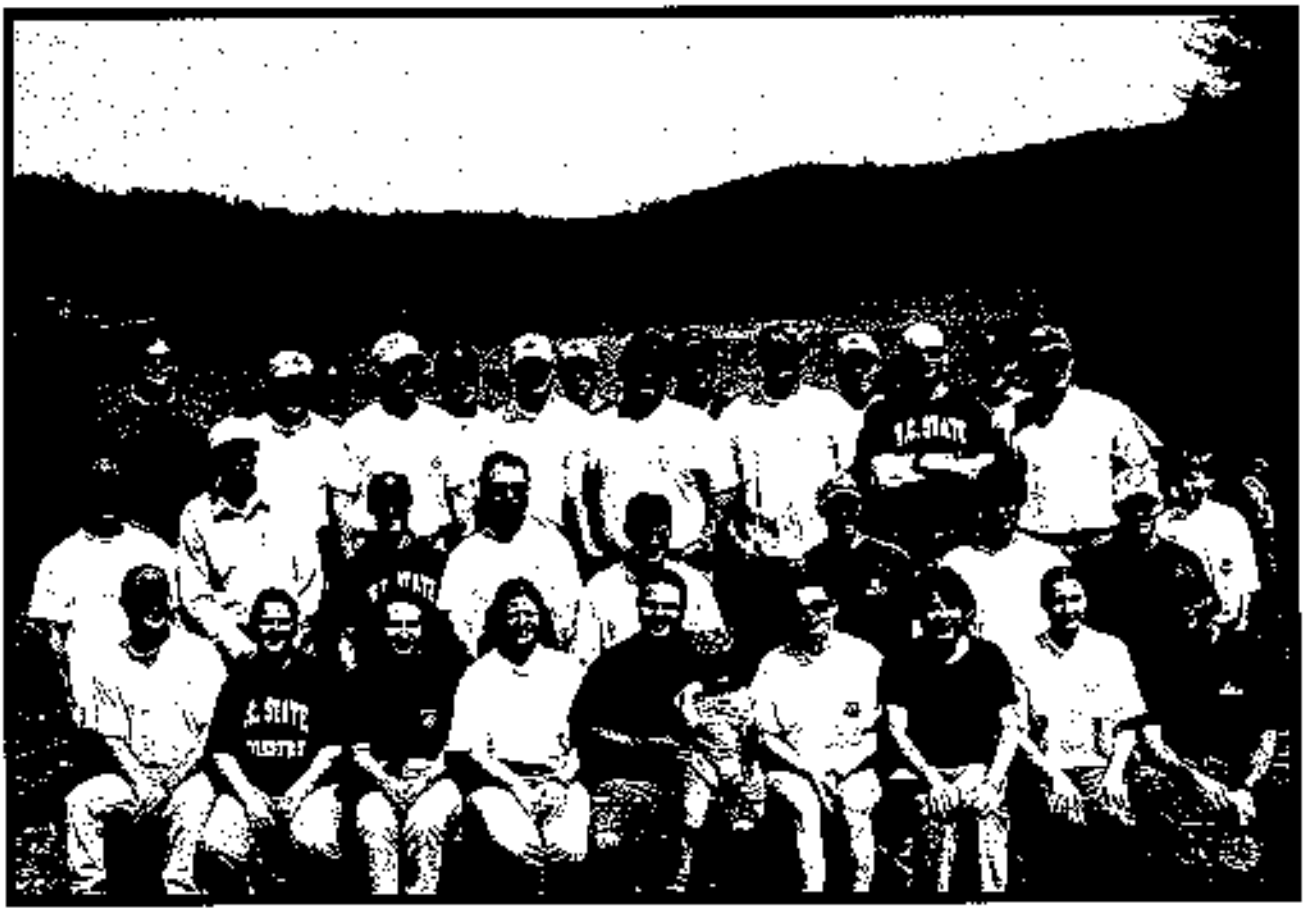

# Mississippi State

Mississippi State Forestry Club would like to convey their thanks to VPI for hosting the 41st Annual Conclave, and to all the clubs we appreciate the competition, sportsmanship and fellowship of the "Conclave experience". To put it simply, Conclave was a BLAST!

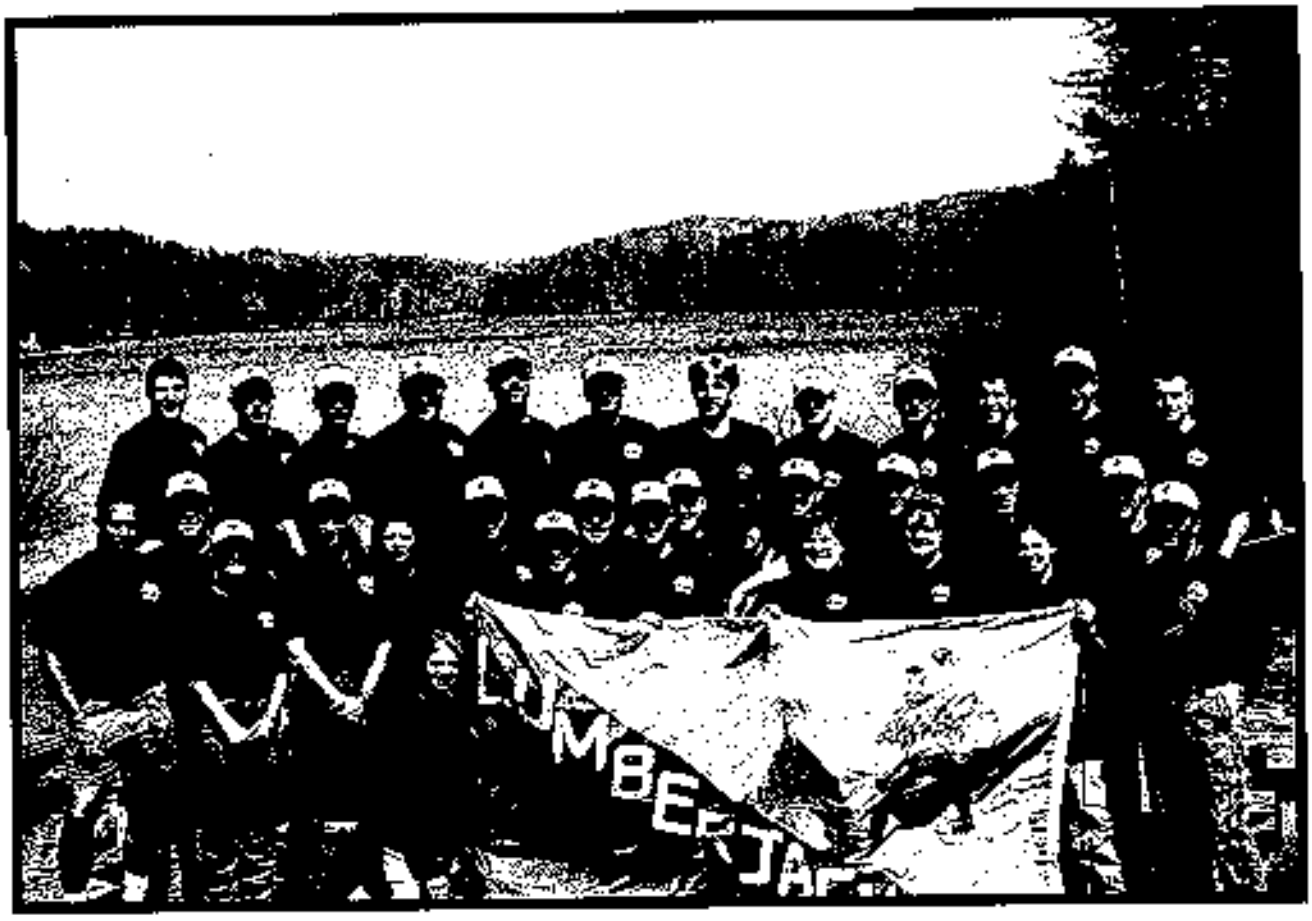

PS We failed to mention anything at all about mamas, or trains, or trucks, or prison, or gettin' drunk.

# North Carolina State

Thank you all for a wonderful time at Holiday Lake. A special thanks to Virginia Tech for volunteering & doing a great job putting this event on. The tight competition has made for a lot of fun and good showmanship. We've enjoyed seeing the many people we've had the opportunity to meet. We invite everyone, even graduating seniors, to join us next year as we host the 42nd ASFC Conclave in North Carolina. See you next year.

# Stephen F. Austin

We would like to thank Virginia Tech for hosting a fun and competitive Conclave. We would also like to extend our thanks to all of the schools for their good sportsmanship. It was a great year and we look forward to next year.

# Tennessee

University of Tennessee...Small in number, Large in presence!!!

# Texas A & M

We had a great time and would like to say a special thanks to Virginia Tech for being a great host and to LSU for a great road trip. See ya'll next year and take care.

VENI VEDI VICCI, kind of. Git'em.

# Virginia Tech

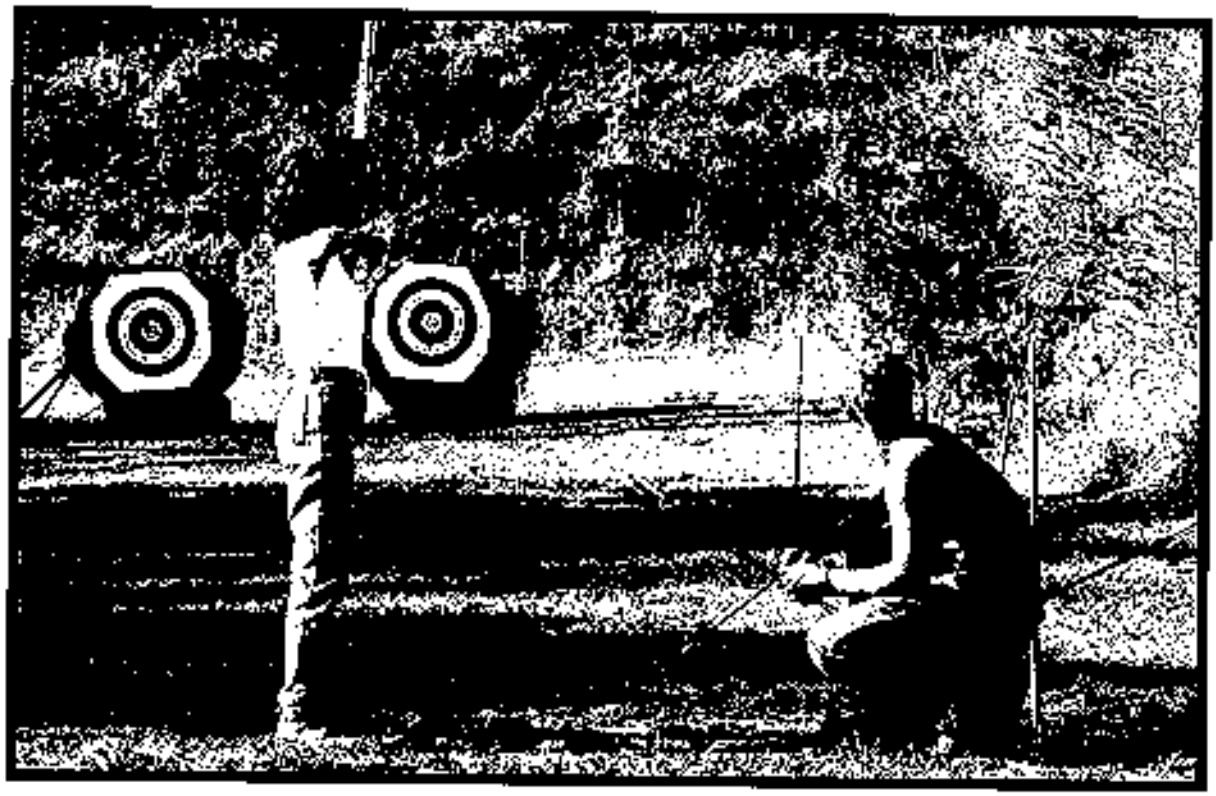

We want to extend our thanks to all of the clubs who came up and showed their all in the competitions. The friendships and the spirit of the competitions really made this Conclave great. We could not have done it without your support. It was a long year getting ready for this but we finally pulled it all together. Our club has grown from this experience. We competed in four competitions in the fall and one in the spring to prepare for Conclave. We also sold hats and firewood as fundraisers and won the float contest in the Blacksburg Christmas parade. Good luck to North Carolina.

PS Flag poles were broken, banners were stolen, and lots was missing....BUT, at least no bugs were burnt and we only had to see one bare Arkansas body.
