NCSU Forestry Club

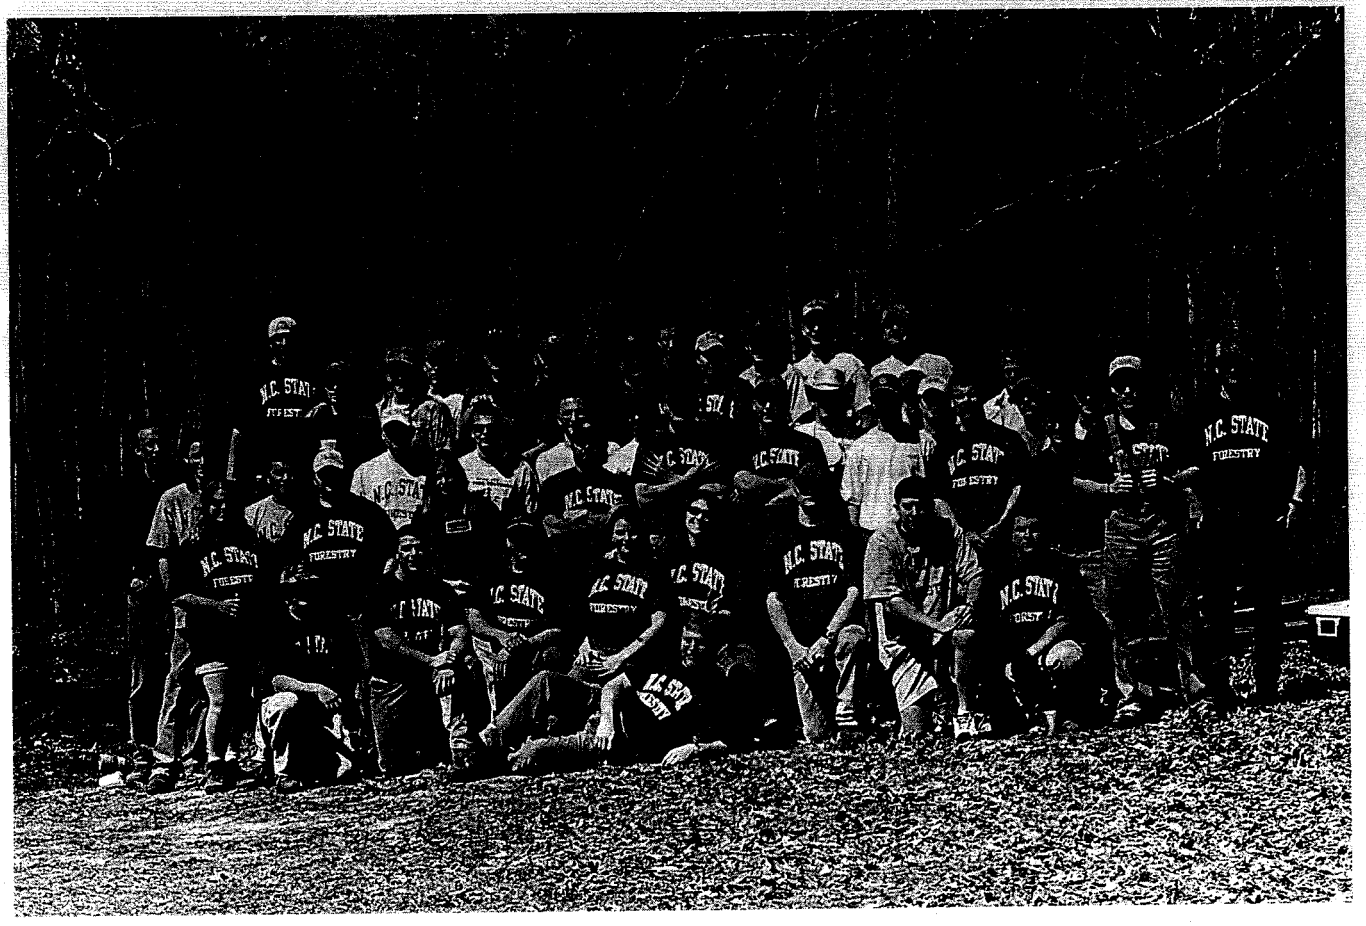

Dear Association of Southern Forestry Clubs,

We would like to thank all of the forestry clubs and all of their participants for attending our 1999 Conclave in Ellerbe, North Carolina. After all, our Conclave would not have been as enjoyable without the enormous amount of spirit displayed by everyone. We hope that everyone took home some wonderful memories to last a lifetime. We were glad that everyone had a safe and enjoyable trip to and from Conclave. We are all looking forward to this year's Conclave in Louisiana and we hope y'all are as prepared as we are! Thanks to everyone and good luck in life.

Take Care,

James Lovvorn

Association of Southern Forestry Clubs
42nd Annual ASFC Conclave
North Carolina State University
March 19, 1999

Conclave President Steve Shepard called the meeting to order at 7:35 p.m. Roll was called and representatives from the following schools were present: Arkansas, Auburn, Clemson, Florida, Georgia, Louisiana Tech, Louisiana State, Mississippi State, North Carolina State, Stephen F. Austin, Texas A&M, and Virginia Tech. Oklahoma State was not present.

Old business began with an announcement from the president to each school to remind members of their club to keep the campground clean and litter in the proper receptacles. A cleanup crew will be assigned each morning to assure the grounds are clean. Each school will be allowed to use whatever cross cut saw they desire. Arkansas makes the request that the pole for pole climb be sanded in any manner as for competition tomorrow. Florida makes the clarification that crosscut can be started in any manner as long as the teeth are not touching the cant. VA Tech announces that they have team plaques from last year.

Motion is made by NC State to move axe throw to 1:00 p.m., knife throw to 2:00 p.m., and move log birl to 3:00 p.m. 2nd by Florida. Vote passes: 13 yes votes, 0 no votes.

Motion is made by Auburn to allow axes to be left in the cant or thrown on the ground after the competitor is done with speed chop. 2nd by VA Tech. Vote passes: 13 yes votes, 0 no votes.

Motion is made by LSU to keep crosscut the same and only have one cut. 2nd by Clemson. Vote passes: 12 yes votes, 0 no votes.

Motion is made by LA Tech to amend Auburn amendment, changing it by stating "string will be brought out 15 ft. from the base of the stump before the competitor fells the pole. This will be done by a judge and measured by d-tape. Each school will have this option before the competition." 2nd by Florida. Vote passes: 12 yes votes, 0 no votes.

Motion is made by Texas A&M to allow non-forestry majors to compete in women's cross cut for 1999 Conclave. 2nd by Clemson. Vote passes: 13 yes votes, 0 no votes.
