The 2002 Southern Forester is dedicated to
Eric Taylor for his leadership and service to the
Texas A&M University
Forestry Club as Conclave Advisor.

A Letter From the President...

The Texas A&M Forestry Club was very proud to host the 45th Annual A.S.F.C. Conclave. Many hours of hard work were put into the planning and the running of Conclave. Planning and raising money began in April 2001 and did not stop until we arrived at Camp Tyler.

I would like to thank the Alumni, Faculty, and Staff of the Texas A&M Department of Forest Science. Conclave would not have happened this year without their help in planning and setting up the events. Also, I would like to thank Drs. Scott Enebak and Dick Martin of Auburn University and Dr. Mike Fountain of Stephen F. Austin State University for answering my many questions over the past year. The staff of Camp Tyler, Jim Connally and Alan Byboth, deserves many thanks for their hospitality and help in keeping everything running smoothly.
Another essential element in planning Conclave was a great forestry club. The members and officers of the Texas A&M Forestry Club should be proud of the job they did and all they accomplished.

Congratulations to SFA for their big win this year. Also, I would like to thank each school for their sportsmanship and great competition this year; ya'll did a wonderful job.

I am glad that Texas A&M had a chance to host Conclave and I am proud to have been a part of it. We made a lot of friends this year and we look forward to seeing everyone at Clemson in 2003; I wish I could be there. I hope everyone has a good year in school and a great future as Southern Foresters.

Thanks and Gig 'Em!

Andy T. Braswell

Andy T. Braswell
President, A.S.F.C.

Texas A&M University

Dear Southern Foresters,

We all breathed easier on Sunday March 17 after the last bit of trash was picked up, the last cabin inspected, and the last truck rolled out of Camp Tyler in Whitehouse, Texas. The Texas A&M Aggie foresters made us proud in hosting the 45th annual Conclave. We all had a great time and trust that you did too.

Conclave serves as an important opportunity for students to strengthen leadership and teamwork skills. However, hosting conclave requires a lot of attention to event planning, budgets, and the coordination to bring everything and everyone to the right place at the right time. Special thanks to the Forestry Club officers Andy Braswell, Brandon Crutcher, Clint Hays, Jennifer Sullivan, and Bill Holcombe. They provided the leadership and hard work that made it possible. Andy spent countless hours and sleepless nights keeping track of a multitude of details as Conclave loomed closer. We are proud of your accomplishments in pulling it all together.

Texas A&M could not have hosted Conclave without support of its faculty, staff, and alumni. We thank our Department Head, Dr. C.T. Smith for his guidance and encouragement in numerous planning meetings over the last year. We thank Gail Hyden for her expertise and assistance to the Club in event planning, budget details, and administrative matters. We thank Lesli Gomez for her work on this issue of the *Southern Forester*. We especially acknowledge and thank Laverne Addison who dispensed sage advice and volunteered her skills and time in helping the club before, during, and after Conclave. Her attention to detail behind the scenes was a key to our success. We are grateful for the support shown by Aggie former students, friends, and companies for their donations totaling nearly $8000. It was great to see Aggies at Conclave.

Numerous details underpin the eight technical events and 14 physical events that constitute a proper Conclave. We thank Dr. Marian Eriksson for introducing the Club to project management software. We thank Dr. Bob Baker for preparing and administering the photo interpretation test and Ken Rogers for preparing the wood tech test. We thank Dr. Billy Higginbotham, Wildlife and Fisheries Specialist, for his efforts with the wildlife test. We especially thank Chris Adams and Jay Tate of the Texas Cooperative Extension and Greg Atwood of the Texas Forest Service for their leadership in planning, establishing, and conducting the events. Thanks to Ben McKay who volunteered as event judge and Emily King who served as photographer. We are grateful for the support of the foresters at Steven F. Austin University, especially Dr. Mike Fountain who advised and helped in organizing a number of events and stayed to help with cleanup on Sunday morning. Finally, we must thank Camp Tyler director, Jim Connally, and his staff for hosting us and keeping over 280 foresters well fed and well housed for the weekend. We thank Jim and his staff for their assistance in making Conclave possible.

Sincerely,

Dr. Eric Taylor
Faculty Advisor – Conclave

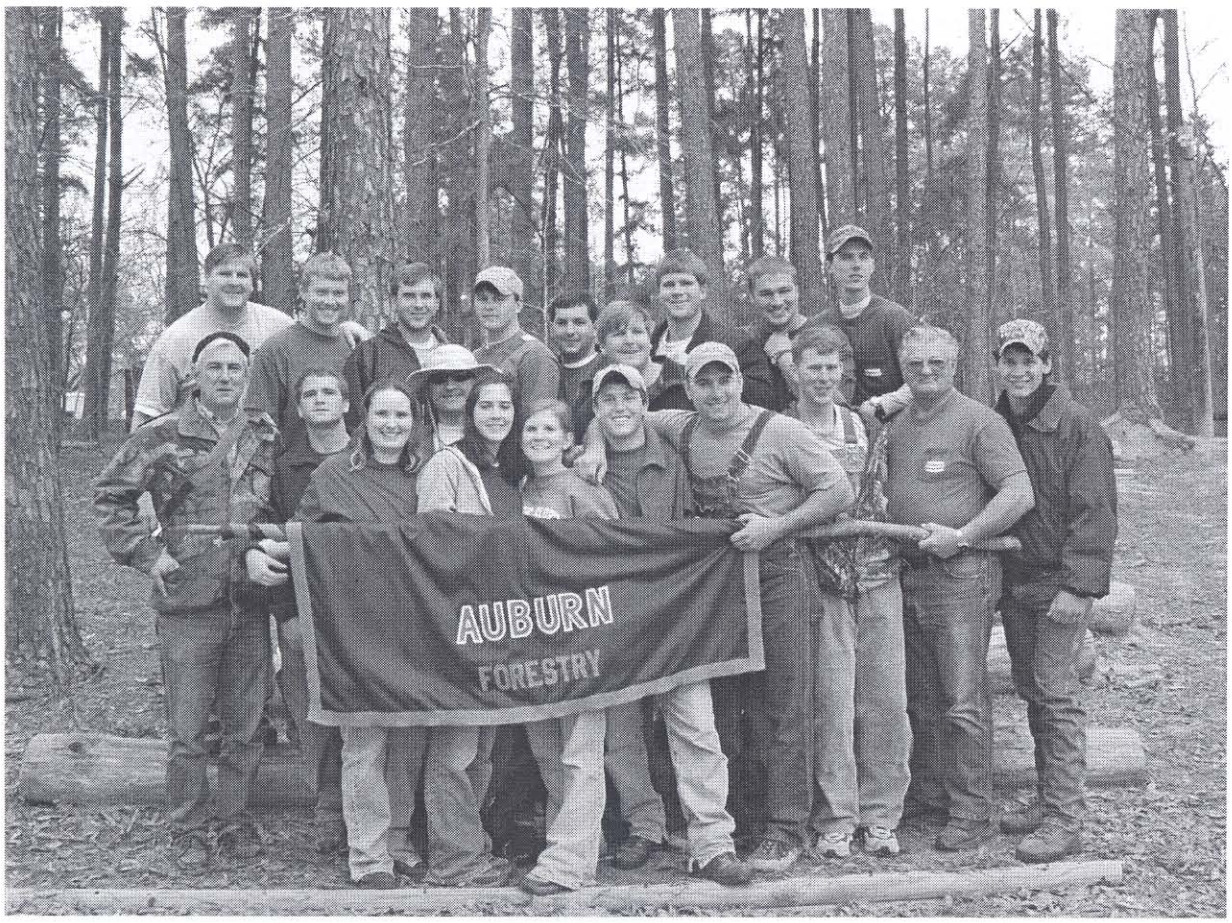

Dr. Mark Tjoelker
Faculty Advisor – Forestry Club

"We had a good time while we were here. Hope to see each and everyone next year. GO DAWGS!!"

North Carolina State

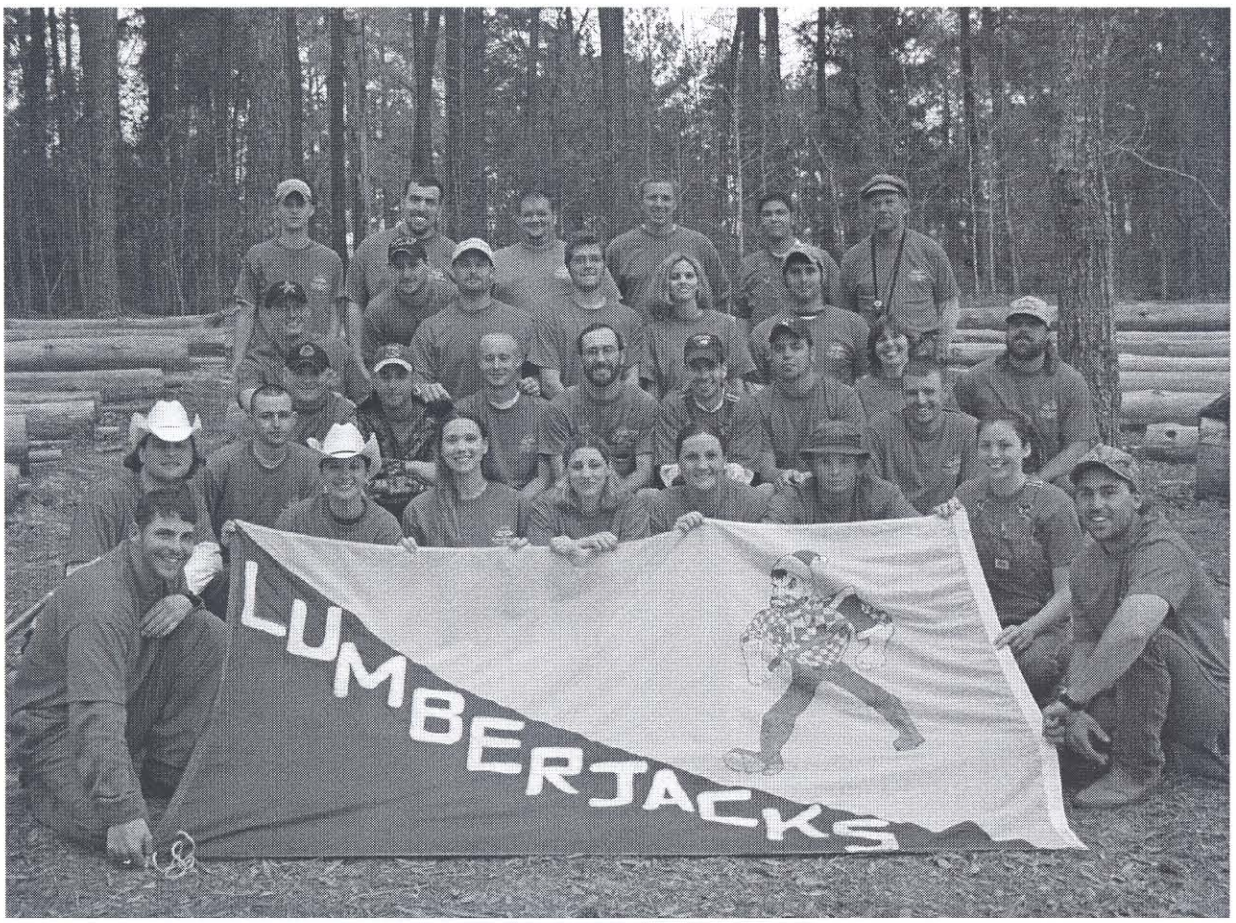

"Way to go Texas A&M! You had the best Conclave ever. Southern hospitality is alive and well in Texas. For us, getting there was truly half the fun. The other half was in Texas. On our way to Texas, our bus broke down in a Hooters parking lot. That was fun! We stopped at Dolphin Island Bama for a couple of days. Move fun. Then detoured to New Orleans for a bit of spring break. Wow! Then we hit Conclave! Amazing. Finally, we had to drive home. Boohoo. P.S. Congrats to SFA. See you next year at Clemson! NCSU Rules!!!!!"

Oklahoma State

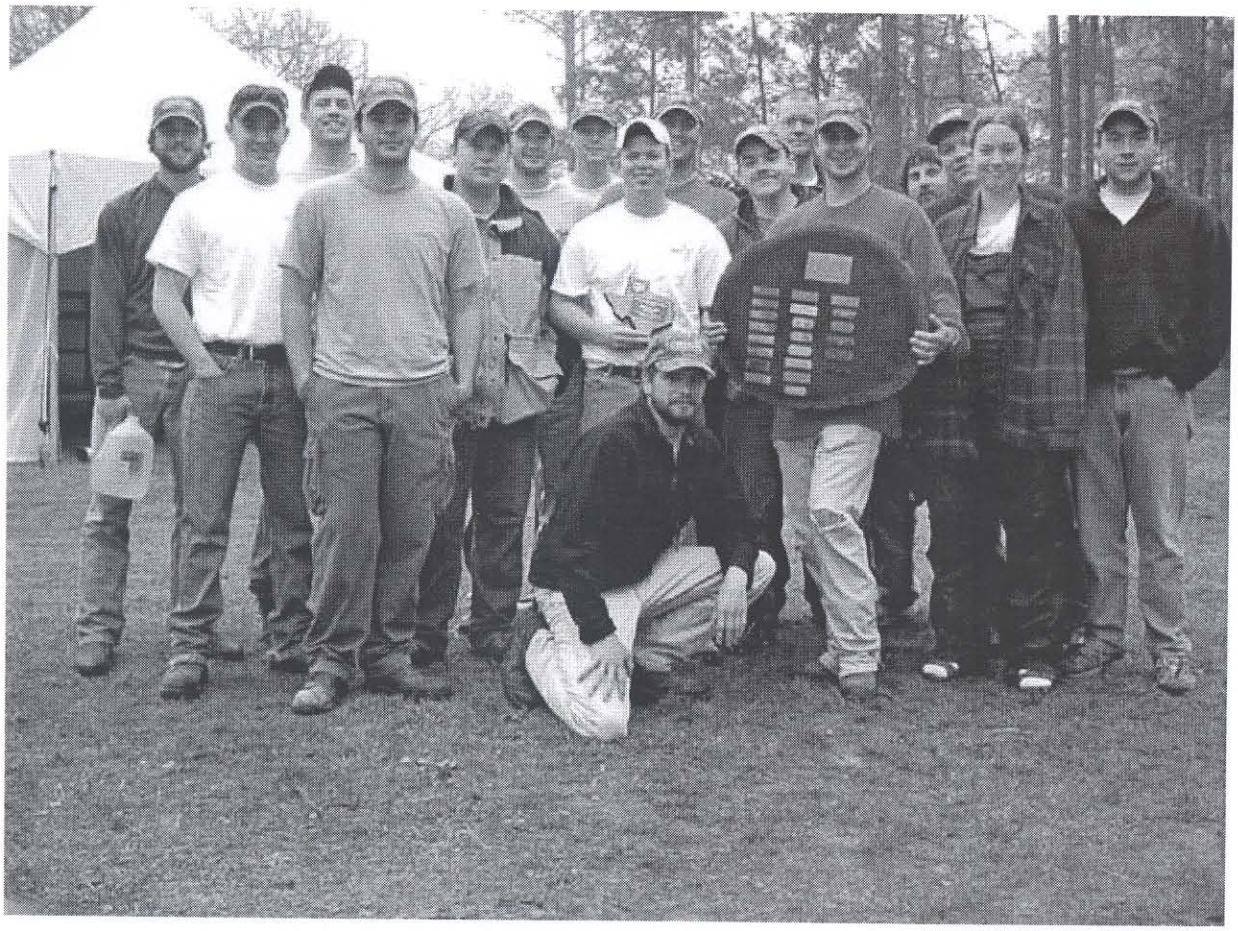

"We had a great time, especially since we went from last place in 2001 to 8th this year. Looking forward to Clemson's Conclave where we hope we can improve as much again. Thanks A&M for some good clean fun!!!"

Stephen F. Austin

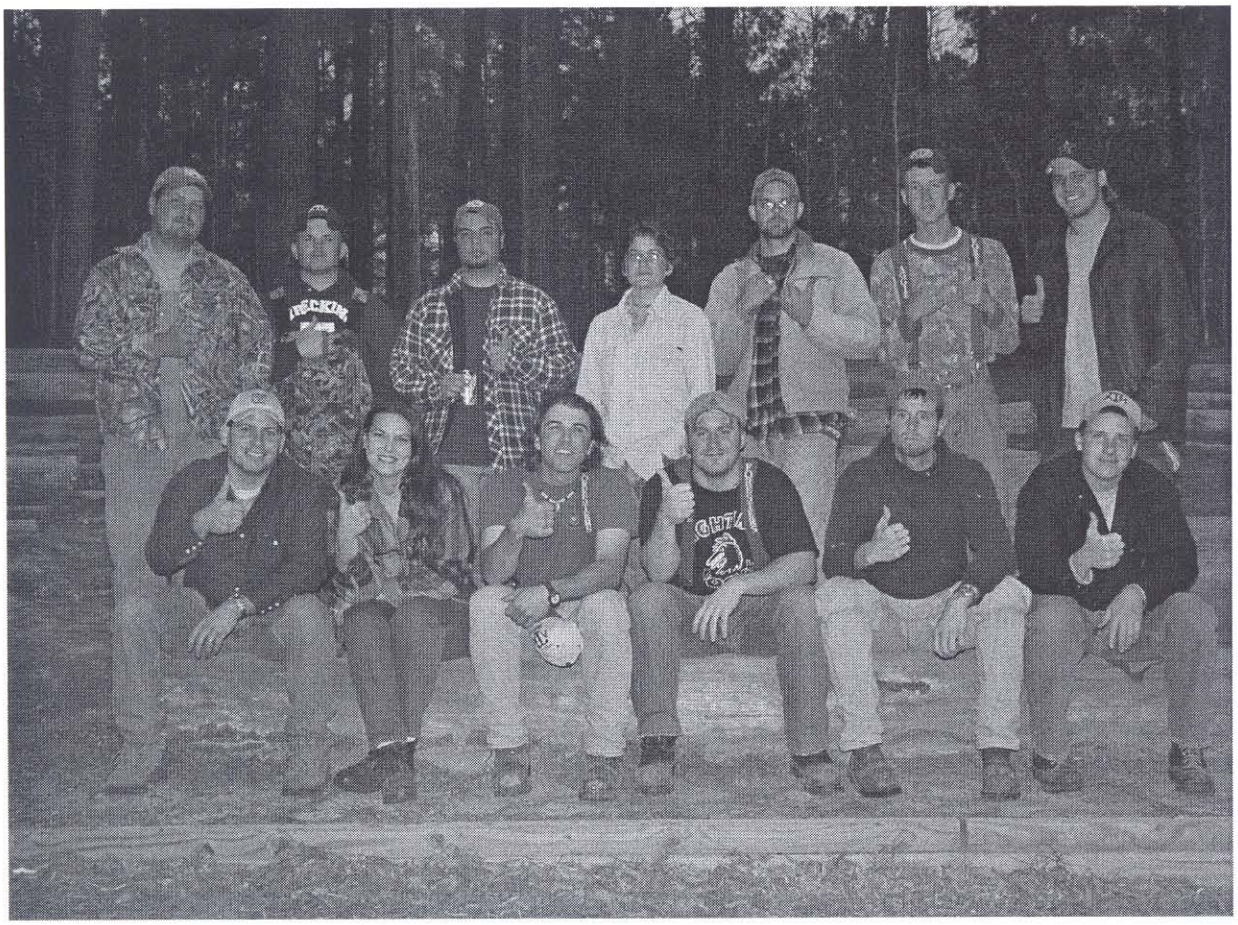

"Thanks for a great Conclave. We all know how things are BIGGER and BETTER in TEXAS!"

Tennessee

"Where would Texas be without Tennessee.
Remember the Alamo."

Texas A&M

The Texas A&M Forestry Club would like to thank all the schools and participants for helping us make the 45th Annual ASFC Conclave a success. We'll see ya'll in South Carolina!

Gig'em!

Virginia Tech

"Thanks Texas A&M for hosting a good Conclave. This Conclave was well worth the 2000 mile trip. Looking forward to next year at Clemson."

From an alphabetical list, those schools in odd-numbered positions (1, 3, 5, 7, 9, 11, 13) shall provide one member for the protest committee for the 1979 Conclave. Those schools in even-numbered positions (2, 4, 6, 8, 10, 12, 14) shall provide one staff member for the 1980 Conclave. This alternate-year rotation system shall be continuous.

X. Jack and Jill Cross-cut Sawing was officially designated one of the Standard Competitive Contests (a "point event") by unanimous mailed-in votes from the Member Clubs on April 1, 1992. Passed by unanimous vote on March 25, 1993, and becoming effective March 26, 1993. Last Updated 9/07/2000.
