65th ASFC Conclave in Florida
March 14-17, 2024

From the Advisors

It really does take a village. As advisors we were very fortunate to have a group of students that were excited to host conclave in Florida. From the start, they took the lead from finding our incredible location to collecting the trash each morning. Big thanks to Garrett, Marina, Michael, Brent and the rest of the team. We are so proud of the students in the Florida Forestry Club.

No event of this size is accomplished by a couple of people alone. Faculty within the School of Forest, Fisheries, and Geomatics Sciences stepped up to help with our technical events. Our industry partners assisted with supplying wood and setting up technical events. Alumni and friends of SFFGS gave generously. Our friends at the Florida Forest Service provided support in emergency services. Thankfully, they weren't very busy!

We want to thank the faculty from all the member schools. Advisors are the support system for the competitors and are critical to judging and keeping everyone safe. Thanks for all of your help.

Thank you to all the student participants for an exciting conclave. All three of us participated in conclave as students and it is a key memory from our time in forestry school. We hope you all had a great time in the sunshine state. Thank you for good sportsmanship and enthusiasm.

Finally, we'd like to thank our families. Thank you for supporting us and even helping out. Go GATORS! Tammy, Tim and Scott
